Open Letter

Amicus curiæ

25th October 2013

May it please the Immaculate Virgin Mary,

Ave Maria !

Our Holy Father Francis welcomed the *All Party Parliamentary Group* (APPG) on the *Holy See* to Rome, on 23rd October 2013. The purpose of this letter is to introduce Sir Edward Leigh and the
20 *All Party Parliamentary Group* to the letters of this Court of Record that continue to change the world since the *Letter Rogatory to the British Parliament*.

The quantum changes in the world, giant step changes in our world view, baffle lawyers, 'bankers', economists, scientists, parliamentarians, military men and theologians alike.

When Pope Benedict XVI resigned on the 11th of February 2013, he sent a harpoon into the
25 heart of the Sea Monster that appears to have escaped justice for millennia. This Sea Monster is diving deep, capable of swimming in water and under land, but the golden thread from the endless spool shall reel it in to Saint Peter's rock, for we in this contemplative Court of Record of the Almighty **One** have built the mechanism. The little fish that have been chased into Saint Peter's nets by the Sea Monster, shall swim free, into the Ocean of Spirituality.

30 This letter must be read in context of the other letters¹ of this Court of Record, including but not limited to the recent letters to President Putin of Russia and to the *Custodian of the Two Holy Mosques*, the King of Saudi Arabia regarding the **Syria crisis**; the letters regarding the **Cyprus financial crisis**; and the letters to the Council of eight Cardinals that deflate the ghost of **Marxism**. In addition, there is the Letter to Professor Richard Dawkins that provides the
35 Rosetta Stone to unite in one's mind, the concepts of religion, science, philosophy, history, etc. This Mind-Map of the Garden of Eden in Genesis regarding *epistemology* and *ontology* is the *Key of Knowledge*. This key unlocks the mystery of speech:

Jesus saith unto him, I am the way, the truth, and the life: no man cometh unto the Father, but by me.
Gospel of Saint John, 14:6, King James Bible.

40 ***Liberation from the Gorgon² Sea Monsters of ‘Capitalism’***

Symbolic speech can, in a few spoken images, command the essence.

There is no ‘capitalism’ around, for there is no ‘capital’ that is *money* in circulation.

Yet ‘conservatives’ and ‘lunatics’ are in the same tormented refugee boat, failing to see the *Relations of Ideas* and *Matters of fact* staring back at them in the mirror of legal reflection.

45 Let us define the European problem using the precise words³ of Lord Maynard Keynes:

The Old World was tough in wickedness anyhow; the **Old World’s heart of stone** might blunt the sharpest blade of the bravest knight-errant.

This Medusa of ‘capitalism’ and ‘gold lust’ is the demoness that froze the old world’s heart, that resulted in World War I, the 1919 Treaty of Versailles negotiated at the Paris Peace
50 Conference, World War II, Vietnam, the battle of the *isms*: Communism vs Capitalism. Medusa once again threatens to shatter the body of Europe.

There is no ‘capitalism’ around, for there is no ‘capital’ that is *money* in circulation⁴.

The Gorgons of Greek ‘mythology’ are with us, **Medusa** the ‘guardian protectress’ is embodied in the **Bank of International Settlements**⁵, she is mortal and she shall be slain for
55 the harpoon has pierced her heart. It is only when Medusa is alive that her immortal sisters *Stheno*, ‘forceful’, and *Euryale*, ‘far roaming’, trouble us; ‘capitalists’ enraptured by Medusa lust after ‘gunboat diplomacy’, want to roam far projecting force, yet hate the immigrants that come, drawn by the siren song of ‘fraudulent conversion’.

Light the lamp of information

60 Sir Edward Leigh MP, of APPG, who has worked in the Public Accounts Committee must be aware of the details of the investigation buried there, which is on the Public Record⁶ by the speeches of Lord James of Blackheath.

The Basel⁷ III protocol, due to go into force on the 1st of January 2014, requires all ‘bankers’ to carry mobile phones that record all conversations. The bankers of the ‘Bank of International
65 Settlements’ shall then not be averse to the same standards being applied to them, with all calls and transactions being available on a public database for surely they are most righteous amongst men and have ‘nothing to hide’.

5 ... **The BIS was originally intended to facilitate reparations imposed on Germany by the Treaty of Versailles after World War I.** ... Between 1933 and 1945 the BIS board of directors included Walther Funk, a prominent Nazi official, and Emil Puhl, who were both convicted of war crimes at the Nuremberg trials after World War II, as well as Hermann Schmitz, the director of IG Farben, and Baron von Schroeder, the owner of the J.H.Stein Bank, which held the deposits of the Gestapo. There were allegations that the BIS had helped the Germans loot assets from occupied countries during World War II.

See en.wikipedia.org/wiki/Witch_trials_in_the_early_modern_period

... the nucleus of the early modern “witch craze” would turn out to be popular superstition in the Western Alps, reinforced by theological rationale developed at or following the **Council of Basel** of the 1430s, what has been called “the first real witch trial in Europe” ...

No gold is at risk

The 'gold lease rates' show zero or even negative 'interest rates'. This proves that no gold is at risk or out on 'loan'. There are no prices denominated in gold: **there are no real markets.**

The virtual reality of the Medusa of 'capitalism' shall dissolve into the void from which she came and cease to trouble mankind.

The bankers of Ba'al

The 'bankers' of the old world, with their hearts turned to stone by Medusa, whipped their soldier-slaves into gladiatorial combat on the *killing fields*⁸, in obedience to the Pharaohs of banking.

They had forgotten the Decalogue given to Moses. They cared not for their own people. Almighty God, YHVH, has taught the lessons painted in blood, persecution and tears.

These 'Children taught of the Lord', reverted to **victim** worship, the burnt offerings of women and children, 'rising to their God Ba'al', which has been found reprehensible since ancient times.

Judges 2:10 And also all that generation were gathered unto their fathers: and there arose another generation after them, which knew not the LORD, nor yet the works which he had done for Israel.

2:11 And the children of Israel did evil in the sight of the LORD, and served Baalim: 2:12 And they forsook the LORD God of their fathers, which brought them out of the land of Egypt, and followed other gods, of the gods of the people that were round about them, and bowed themselves unto them, and provoked the LORD to anger.

2:13 And they forsook the LORD, and served Baal and Ashtaroth.

2:14 And the anger of the LORD was hot against Israel, and he delivered them into the hands of spoilers that spoiled them, and he sold them into the hands of their enemies round about, so that they could not any longer stand before their enemies.

2:15 Whithersoever they went out, the hand of the LORD was against them for evil, as the LORD had said, and as the LORD had sworn unto them: and they were greatly distressed.

This phenomena of Ba'al worship, sending other people to die using other people's money, then stealing the money, can be traced to an **incorrect comprehension of their own status as 'creatures'**. It is easy to miss the 'Promised Land'⁹, the 'Kingdom of Heaven' that is within you, revealed in the symbolic language of the Garden of Eden in the Old Testament and mistake Christ for a creature – concluding wrongly, based on the erroneous assumption that, since they themselves were 'creatures', so was He. The epistemology and ontology of Knowledge when unlocked by prayerful¹⁰ contemplation, reveals the oneness of Our Father, the *Intellectual*

8 The mystery of the Maxim machine gun, of how the conquest of Rhodesia led to the Somme, repeated once again in World War II, atom bombs, the Vietnam war and the more recent wars in the Middle East.

9 Land is a symbolic metaphor for *Ground of Being*, called *Brahman* by the Indians, symbolised in Christian theology by the Immaculate Virgin Mary, *Theokotos*, the 'Mother of God'.

10 **Pope Francis on Prayer:**

"The key that opens the door to the faith," the Pope added, "is prayer." The Holy Father warned: "When a Christian does not pray, this happens. And his witness is an arrogant witness." He who does not pray is "arrogant, is proud, is sure of himself. He is not humble. He seeks his own advancement." Instead, he said, "when a Christian prays, he is not far from the faith; he speaks with Jesus." And, the Pope said, "I say to pray, I do not say to say prayers, because these teachers of the law said many prayers" in order to be seen. Jesus, instead, says: "when you pray, go into your room and pray to the Father in secret, heart to heart." The pope continued: "It is one thing to pray, and another thing to say prayers."

"These do not pray, abandoning the faith and transforming it into moralistic, casuistic ideology, without Jesus. And when a prophet or a good Christian reproaches them, they [do] the same that they did with Jesus:

Principle of Man, in the Kingdom of Heaven **within**, with the Almighty **One**. This is the grace of Jesus Christ, recorded in the testament of the Gospel.

105 Those with a heart of stone, who never fail to remind us of their status as victims, through their political front men, organized the 1919 Peace treaty, where they believed they could create 'profit' using extortion by treaty. The *Bank of International Settlements* is the 'trust' containing the proceeds of such extortion.

The most recent phenomena traced to this mentality of extortion, is 'austerity', occult warfare that is hidden in plain sight and the sinking of refugee boats.

110 Austerity is the policy created by the Basel protocols of the *Bank of International Settlements*, the extreme result of which is the Cyprus financial crisis which annoyed the Russians who had the proceeds of selling oil parked there.

The 'mysterious' inability of refugees to make the coast of Lampedusa, is a manifestation of the Caesar's policy of sinking boats of people found without papers.

115 When Caesar was confronted and ordered by the *Letter Rogatory to the British Parliament* to reverse his policy, the Pharaohs of banking stepped in with their boat and burnt offerings to Ba'al, to aggravate Caesar into war.

How does all this 'evil' happen? Lord Maynard Keynes gives us the answer:

Spirit of the Pities

120 *Why prompts the Will so senseless-shaped a doing?*

Spirit of the Years

I have told thee that It works unwittingly,

*As one **possessed** not judging.*

125

Demonic possession by a pernicious *meme* is defeated by becoming conscious of such possession, as even the leading atheist, Professor Richard Dawkins can explain. He can also explain that *Good Guys Finish First*, which is to say, 'the meek shall inherit the Earth'.

Malum quo communius eo pejus - The more common the evil, the worse.

130 *Malus usus est abolendus* - An evil custom is to be abolished.

A return to meaning

As discussed in our Open Letter to President Putin of Russia, the dollar, the euro and the pound have lost meaning.

135 In this context, any proposal for a new 'Jekyll Island' will get laughed out of Court. The bordellos of Zurich bear witness to the failure of Ba'al worshippers to agree to such.

The peaceful dismantling of weapons ongoing in Syria, is summed up¹¹ by President Putin:

Mr Putin was also modest when it came to US President Barack Obama, denying he had helped him

'When Jesus left, the scribes and Pharisees began to act with hostility toward him' – they are ideologically hostile – 'and to interrogate him about many things,' – they are insidious – 'for they were plotting to catch him at something he might say.' They are not transparent. Ah, poor things, they are people dishonoured by their pride. We ask the Lord for Grace, first: never to stop praying to never lose the faith; to remain humble, and so not to become closed, which closes the way to the Lord."

to save face by giving him a way out of pursuing military strikes on Syria.

Simply, Mr Putin said, their two positions had converged after an analysis of the situation.

140 What is the analysis that could have been applied? The United Nations is a trust. When the Settlor appears, the trustees behave. The Pope is that Settlor, the United Nations and all the vast *corporate* bureaucracies, including but not limited to the European Union, are no longer needed. The U.K. bureaucracy¹² must ponder its own relevance.

145 Recently, Saudi Arabia shocked the United Nations Security Council by rejecting their hard won seat¹³.

UNITED NATIONS (United States): Saudi Arabia's angry rejection of a security council seat one day after winning it is a United Nations first that stunned members of the body on Friday.

"This is totally unexpected. We all had to look into the council history for a precedent and there is not one," said a security council diplomat, speaking on condition of anonymity.

150 "Campaigning and securing a seat normally takes years of preparation which makes the announcement even more surprising." ...

"There was nothing controversial about the election. But the government has made it clear in recent weeks that it is concerned about Syria and the Palestine issue," said a second UN diplomat.

155 "They will have to write to set out their official position and then the UN will have to decide the next step," the envoy added.

"There could be a new election, but it is possible that Saudi Arabia can be persuaded to change its stance."

The United Nations secretariat and UN general assembly president had no immediate comment.

160 "Work mechanisms and double-standards on the security council prevent it from carrying out its duties and assuming its responsibilities in keeping world peace," the Saudi foreign ministry said in a statement explaining its move.

"Therefore Saudi Arabia... has no other option but to turn down security council membership until it is reformed and **given the means to accomplish its duties** and assume its responsibilities in preserving the world's peace and security," it added.

165 What are these means? A return to contracts denominated in substance and the creation of a real marketplace to replace the virtual reality of lifeless, *corporate*, 'bankers'. This results in *finality of settlement* which has been replaced by *commercial warfare* since the onset of hostilities in 1914 when the Bills of Exchange marketplace was shut down.

170 Does *finality of settlement* require gold and silver? The answer is no. It is trivial to transact substance for substance using computers.

Ba'al has no answer for his worshippers.

Jeremiah 11:12 Then shall the cities of Judah and inhabitants of Jerusalem go, and cry unto the gods unto whom they offer incense: but they shall not save them at all in the time of their trouble.

175 What has Islamic faith got to do with all this? See our open letter to the *Custodian of the Two Holy Mosques*. What about the Jewish faith? See our Open Letter to the Chief Rabbi of London.

The *Ba'al* worshippers pray for a religious war between the tribes of Abraham; between

190 **Peter's Pence and St. Peter's Marketplace**

As we wrote to President Putin of Russia, the sewer of fraudulent conversion must be replaced by the righteous, peaceful well water in the temple of God.

The investigation buried in the Public Accounts Committee reveals the wounds in the body of Man and the corpses rotting in the sewer of fraudulent conversion.

195 The *corporate*, hence lifeless, UNITED KINGDOM parliament has no law or lawful money; it is a "soft power"¹⁵. The 'statutes' of Parliament apply only to the *corporate*, lifeless 'party' members and *lunatics* who are 'on the rolls'.

200 The magistrates of U.K.'s corporate courts have **no authority** to display Her Majesty's Coat of Arms – there are **no** Acts of Her Majesty The Queen in Parliament agreed on, that grant this right. U.K. courts cannot legally issue a court order that binds living souls, only 'distress warrants' against *corporate*, lifeless names on passports.

The only 'foreigners' they can evict from England and Wales are themselves, for the corporate officers of the U.K. are *foreign* to the people by oath of office, as we recently wrote to Archbishop Justin Welby. The 'go home' vans have vanished.

The upcoming public testimony on the 7th of November 2013 must include candid truth about Fukushima and the tragedies inflicted by 'bankers', 'judges' and bureaucrats on the people. **Little girls raped by powerful men pray for justice.**

Why stop there?

The Children of God suffer in all countries - Families have been blown up by cowards operating drones; the poppy in Afghanistan is used by bankers to prop up their currency and corrupt the Church; depleted uranium weapons cause horrible mutilations; 'medical research' is conducted on children in the name of vaccination (start your research in Palestine); "silent euthanasia" of entire populations; side effects of 'scientific research' used as weapons. There are long lifetimes in store for those who have done such deeds, where they shall repent and seek *within* themselves for the mercy of Our Father, the blessed *One* who has mercy with His world.

6:4 If then ye have judgments of things pertaining to this life, set them to judge who are least esteemed in the church.

The First Epistle of Paul the Apostle to the Corinthians 6:1-11

Today's party politics are an embarrassment to the dignity of Her Majesty The Queen and the *English* of these *Global Isles*.

230 To argue that men and women, some of them Christian, are dying in Syria and that the British parliament has no part of it, is like the Pygmy elders of East Africa in 1914 adopting a stance that the barbarians of London had no say in their methods of forest management. Today the jungles are 'gorilla reserves' and the Pygmy people are refugees¹⁶.

235 Righteousness has no boundaries; those who have no respect for the life and liberty of others eventually destroy themselves, for they breach the trust left to them to look after the Vineyard of Our Lord. Every war and rebellion in the past five centuries has been about this breach of trust, then about sending other people's children to war with guns purchased with other people's life sustenance.

240 The British Parliament and Anglican Church that dissolved the East India company¹⁷ for its excesses, is a far cry from today's *corporate*, lifeless politicians in Church and Parliament competing to be a 'sex licensing' authority.

We pray to Our Father, the blessed **One** who has mercy with His world, whose *non-dual* nature is symbolised by Our Immaculate Virgin Mary with the Child Jesus, to grant faith lit by both reason and feeling to the parliamentarians in Westminster, that they may return themselves to the Rule of God's Law, *finality of settlement* and Peace.

245 We invite all Members of Parliament to reach out¹⁸ to their constituents, to the families that

16 Caesar in Uganda is suddenly pining for Christianity and forgiveness. Why this sudden change of heart?

17 Cleverly reorganized into the affairs of the 'United States' corporation, for the LORD has given me eyes to see.

18 One of the roles of Parliament is as a communications device with the people, to get their consent, to obtain voluntary contributions – not a tax. With today's internet, voluntary contributions can flow towards the projects proposed by those responsible for maintaining infrastructure – a level of direct democracy that has never before been possible. Parliament itself has a responsibility to ensure that such projects do not offend

have not been in world markets, some since before the Magna Carta wars¹⁹ of Europe, to come to a Global Settlement and issue contracts denominated in God's substance.

250 Gold that is not in circulation, sitting in four hundred ounce bricks in vaults, stolen by commercial war, tyranny and persecution, is symptomatic of *blood stasis* in the body of Man.

The priests, bishops and cardinals of the temples, churches and mosques of God can 'feel these wounds' by asking for a righteous donation in Church: gold, silver or other substance that has not been stolen by *commercial fraud*. Cash or 'bank account' currency is not substance, **it is evidence of fraud**. Do we see the need for God's mercy?

255

Matthew 23:16 Woe unto you, ye blind guides, which say, Whosoever shall swear by the temple, it is nothing; but whosoever shall swear by the gold of the temple, he is a debtor! 23:17 Ye fools and blind: for whether is greater, the gold, or the temple that sanctifieth the gold? 23:18 And, Whosoever shall swear by the altar, it is nothing; but whosoever sweareth by the gift that is upon it, he is guilty.

260

23:25 Woe unto you, scribes and Pharisees, hypocrites! for ye make clean the outside of the cup and of the platter, but within they are full of extortion and excess.

23:27 Woe unto you, scribes and Pharisees, hypocrites! for ye are like unto whited sepulchres, which indeed appear beautiful outward, but are within full of dead men's bones, and of all uncleanness.

265

23:28 Even so ye also outwardly appear righteous unto men, but within ye are full of hypocrisy and iniquity.

Matthew 23:16-28

270

James 5:1 Go to now, ye rich men, weep and howl for your miseries that shall come upon you.

5:2 Your riches are corrupted, and your garments are motheaten.

5:3 Your gold and silver is cankered; and the rust of them shall be a witness against you, and shall eat your flesh as it were fire. Ye have heaped treasure together for the last days.

The General Epistle of James 5:1-3

275

In the name of Our Lord Jesus Christ we pray, may the Bishop of Rome, give the men and women of the British Parliament his Apostolic blessing to return the *English* people to the Rule of God's Law, the *Law of Christ*²⁰, the oneness of God, Our Father, the blessed **One** who has mercy with His world.

280

Hebrews 12:5 And ye have forgotten the exhortation which speaketh unto you as unto children, My son, despise not thou the chastening of the Lord, nor faint when thou art rebuked of him:

12:6 For whom the Lord loveth he chasteneth, and scourgeth every son whom he receiveth.

12:7 If ye endure chastening, God dealeth with you as with sons; for what son is he whom the father chasteneth not?

the *Law of Christ* and the commandments of Our Lord; for example, trustees may not lend what is left in trust with them as testified in Luke 19, Parable of the ten Pounds – banking, the technology of Babylon, leads to tyranny, war, and retrogression to the persecution by the Pharaohs of banking and the Priests of *Ba'al*. Today, the Lord has given us insight into the probabilistic nature of the world we live in. Markets in substance, risk and equity are the answer to the Priests of *Ba'al*. *Ba'al* does not answer for them.

20 *Gospel of Saint John 10:30 I and My Father are One*

285 12:8 But if ye be without chastisement, whereof all are partakers, then are ye bastards, and not sons.

12:9 Furthermore we have had fathers of our flesh which corrected us, and we gave them reverence: shall we not much rather be in subjection unto the Father of spirits, and live?

290 12:10 For they verily for a few days chastened us after their own pleasure; but he for our profit, that we might be partakers of his holiness.

12:11 Now **no chastening for the present seemeth to be joyous, but grievous: nevertheless afterward it yieldeth the peaceable fruit of righteousness unto them which are exercised thereby.**

12:12 Wherefore lift up the hands which hang down, and the feeble knees;

295 12:13 And make straight paths for your feet, lest that which is lame be turned out of the way; but let it rather be healed.

12:14 Follow peace with all men, and holiness, without which no man shall see the Lord.

The Epistle of Paul the Apostle to the Hebrews 12:5-14

300 Let us then, build the righteous mechanism for Peter's Pence and Saint Peter's marketplace where God's substance is there to 'feed' His people. Such a decision is the first step for a return of private property rights to men and women without which there is no respect for the Almighty **One**, Our Father, who lives in **all**.
