See "desire for /dignitas/" in attachment that follows.

It may be time to have a competent composer write Music for Chicken Spring. There are some "hangry" [check [oxforddictionaries.com](http://oxforddictionaries.com) ] people around. A city and a country may have come to mind-less-ness. How is London? How are you?

We send our love to YHVH for thee!

Dear Mr. Farage,

<http://www.telegraph.co.uk/news/worldnews/europe/eu/11836310/EU-migration-crisis-live.html>

Bit of bull shit eh? Your sponsor appears to have a wish to migrate to the wilderness.

Yours faithfully,

--- email to UK Labour party earlier today ---

Dear Sir or Madam,

Bring this fax attached to the attention of UK Labour Party 'Grandeess',

not to forget Mr. Blair, Mr. Brown, Mr. Mandelson and Mr. Corbyn / rivals.

Who is thy sponsor's puppet-master? Who sold off 'UK' gold to 'whom'?  
Who are the treasonous traitors to the men, women and children of the  
British Isles?

Who do you think Mr. Cameron found himself /actually/ responsible to?  
How has he been treated? What do you think the NHS is there for?

Ensure the widest circulation amongst the party rank and file. Get Mr.  
Millibeard a razor for his job well done in the last election.

We send our love to YHVH for all of thee!

Yours faithfully,
