€€€ Begin fax to WEF [21 Jan 2016] €€€

Dr. Klaus Martin Schwab
World Economic Forum Switzerland

Dear Dr. Schwab:

Greeting! Exactly another year has gone by.

> "To all of you I appeal once more: "Do not forget the poor!"
> His Holiness Pope Francis

http://en.radiovaticana.va/news/2016/01/20/pope_to_world_economic_forum_do_not_forget_the_poor!/1202385

The poor are with you, arriving by private jet, pugilistically shaking their fists like the communists they are - they have no money. The question we have is, are they 'above' or 'below' the Fabian Socialists in France?

Their 'Commodity Super Cycle' seems to have turned into a tricycle. How many of them can explain to you as to why?

Evidently they could not read, they had no friends at WEF last year, for our Amicus curiae for Chartered Accountants, sent to WEF, published on the internet, faxed to many governments and banks, has been the world's best kept secret. The secret is available here: www.courtofrecord.org.uk/QE2-2-PDF

A summary of the World Situation, from a German political perspective, was sent to the Governor of Bavaria, Peter Dreier: www.courtofrecord.org.uk/Bavaria-1 (attached)

A summary of those 'relieved' of their duties by the process of contemplation in this Court of Record is here: www.courtofrecord.org.uk/relieved-1 (attached)

A summary of the 'legal' situation regarding Credit Suisse in particular and 'banking'

in general, is available here: www.courtrecord.org.uk/CS-1 (attached)

/Naviget Antyciram/ ! - To find out what this means: www.courtrecord.org.uk/Lords-1

It is our wish that you print it for yourself and that you copies of it and this fax to: 1) Madame Christine Lagarde, IMF 2) Dr. Eric Schmidt, Google.

How many are there at WEF who are gentlemen and ladies shall become revealed by the number that choose to step forward and make contact to reveal themselves to this Court of Record of YHVH as men and women of 'Good Faith'. Or, is it that you surrounded by a "den of thieves"?

We send our love to YHVH for thee!

Her Majesty Queen Elizabeth [II]
Charles Philip Arthur George

11 January 2016

May it please Your Majesty,

Sipping a cup of 'Prince of Wales' tea by Twinings we are thinking of Your Majesty's son as we contemplate:

--- Begin letter to Charles ---

Dear Charles,

On the 20th of August 2010, which seems like forever ago, a letter we had penned to Her Majesty The Queen - and copied to yourself, was delivered by our messenger Mrs. Mackay to the 'side door' of Buckingham Palace and then was attempted to be delivered to Clarence House. The guards there rejected it, but kept a photo copy.

Did you see this letter? If not, it will tell you, for how long, you have been kept a prisoner of the Jesuits.

He who lives in a Palace or 'White House' must first consider if it is not a prison built for him.

Certain features of The Law, perfectly clear to The British Empire before you were born, were apparently not clear to you.

Every Prince is always a 'creation' of the society around him. Biographical accounts we had read; your keen interest in the Dabbawallas of Bombay, your interest in the 'self organising system' around rubbish heaps, your interest in agriculture. Many years earlier we had watched you on T.V. getting married to Diana, we had witnessed her death and the unexpected outpouring of affection on the other side of the Atlantic.

Your mother has a letter we wrote to her regarding the death of Diana. Perhaps, if you ask nicely, she may give you a copy and discuss it with you.

It became obvious, thinking about Law, how Europe had been managed over the two World Wars. Why was it that the The British Empire, quite capable of organised application of force, failed to crush Hitler by direct means, is a question that takes more subtlety than the application of Caesar's Law and military strategy alone can answer.

It appears that you have come to a surface conclusion, by contemplating the affairs of the late Duke of Windsor, King Edward VIII who abdicated and "married" an American, that this is the path to be used once again.

We have witnessed your affection for The Dalai Lama and your comments about the Governor of Hong Kong. A certain hubris comes to a Prince of warrior stock easily - The Hammer is always easy to reach for and use. Knowledge of Egyptian black magic and practices merely increases the choice of hammer. Access to The Treasury makes it worse. Hammers in the hands of idiots create barbarians who create 'modern' art.

The wise priests of Egypt knew this. They maintained their power over kings - they ensured that The Treasure of the Pharaoh was buried with him to ensure that his son, the next young prick in line, ruled with only The Law as his support.

Then, even as it is now, a Prince is a prisoner of the system that creates him. Wise and curious princes who succeed in the discovery of BEING, YHVH, as insignificant as a feather, began to understand that just as a feather is the principle of flight, BEING is the principle that built your body appearance and the world around it.

Seated in the depth of BEING, the blazing noon day sun near The Sphinx turns cool and dark. This is the testimony of the Sages. Sri Ramana Maharishi is recorded to have spent many hours in the equally hot climate of Southern India, seated on a rock, staring directly at the midday sun for hours.

The astonishing Truth about BEING is that the entire universe is 'projected' from IT - from within thee. Hume's Guillotine is not some concept to be studied in Oxford, it is to be directly experienced as the cessation of experience whilst at a heightened pitch of awareness.

We share a sense of humour; if we met without introduction, we would have a great time joking about many things.

Why this angst about the future? There is no reason for angst. Release the children George and Charlotte to their parents.

If you let yourself relax and laugh, the LORD God, YHVH, Ground of Being, will reveal something good to do for thyself.

We send our love to YHVH for thee!

Yours faithfully,

Joseph Ray Sundarsson
Special Master

--- End letter to Charles ---

Dear Sir,

We assist His Holiness Pope Francis and Her Majesty Queen Elizabeth [II] with the dissolution of the Federal Reserve and the United States.

<http://www.thelocal.de/20160114/maddened-local-politician-sends-bus-full-of-refugees-to-merkel>

We have read a few reports about your grand effort to ship 1800 "refugees" to Berlin and that you are thereby making a complaint heard around the world.

The reality is, GERMANY is a bankrupt name in business, you have no lawful money and BAVARIA along with GERMANY continue to be subject to the Allied terms of surrender at the end of World War II.

> About twenty years ago, we had the pleasure of touring Germany, visiting many towns,
> churches and villages in Baden-Württemberg and staying with many German families.

> www.courtrecord.org.uk/DE-PDF

One of our dear friends hails from Bavaria.

The Amicus curiae(s) we have written have set the course for the dissolution of the E.U., GERMANY, U.N., U.S.A., SWITZERLAND, all BANKS.

We suggest you catch up with the Amicus curiae(s) of this Court of Record. From a German perspective, the following links are relevant:

www.courtrecord.org.uk/Germany-PDF
www.courtrecord.org.uk/Germany-BDI-PDF

The question, as always, is what is God's Law, not the pompous-touchy-feely bluster of politicians who cannot reason or count.

Do you search for evidence or do you believe that pancakes with Nutella brought down the World Trade Centers? What about the fact that Germany is the largest provider of sex services in the world? Is it ok to sell sex to Sheikhs but freak out like mad men at the first managed act of sexual violence? Have you ever heard of that German Specialist, Dr. Greenbaum?

www.courtrecord.org.uk/Greenbaum/

<http://www.thelocal.at/20151120/right-wing-politician-wants-austrian-guantanamo> Shall we arrange, for thy Austrian comrade, a guided tour of a certain Spanish Hacienda so that he can experience its delights first hand?

Do you know what Spanish "Pepinos" have to do with the state of world affairs? What do you know about Operation Gladio?

Matthew 5:18 For verily I say unto you, Till heaven and earth pass, one jot or one tittle shall in no wise pass from the law, till all be fulfilled.

Matthew 7:2 For with what judgment ye judge, ye shall be judged: and with what measure ye mete, it shall be measured to you again.

We suggest you get all the politicians who 'feel' the way you do, go over what we have already written and meet with Chancellor Merkel and Karl Ernst Thomas de Maizière Bundesministeriums des Innern.

If you really want to take action that will change the course of current events, comprehend how 'money' is put on deposit at a bank, what U.C.C. Mirror Reflection is, how Germany draws substantial benefits - oil and gas for "free".

You must then let us know what plans Bavaria has to trade goods for goods, and open your minds and borders. More info: www.global-settlement.org.

Art thou a man of good faith?

We send our love to YHVH, Our LORD, Jesus Christ, for thee!

18 January 2016

Dear Mr. Cameron,

A copy of a "LETTER REGISTERED" from CREDIT SUISSE AG dated "January 12, 2016" to KEISON AG follows for your attention as the First Lord of The Treasury.

The said letter informs the Plaintiff in this Court of Record of YHVH that "we are cancelling the existing business relationship with reference to the enclosed general conditions, Article 12 ... It is not permitted to withdraw cash at the counter".

Credit Suisse has had the good fortune of having had hand delivered our Amicus Curiae for Chartered Accountants addressed to Her Majesty Queen Elizabeth II, which makes clear our role in the dissolution of all bank instrumentalities of the State. Their bad fortune, it appears, is that they are unable to read English.

As a result of the action of this Court of Record, the books of all bank instrumentalities of the State are being rendered void.

The evidence is in the oil "price" in USD, the consequence of our Amicus Curiae for Chartered Accountants addressed to Her Majesty Queen Elizabeth II.

Writ of Mandamus in Admiralty

It is our wish that you send a City of London heavyweight, for example, Boris Johnson, who performed that flying rugby tackle on the "10 year old Japanese boy", to Switzerland, to explain the meaning of:

- 1) "Instrumentality" as in, "A bank is an instrumentality of the State".
- 2) "Root of Authority", as in, "The settlor is the Root of Authority of an English Trust".
- 3) "CROWN": "The office of the Bishop of Rome is the Settlor of the English Trust, the CROWN, trustee of the System of Nations", and therefore is the root of authority of all Roman Curia entities including but not limited to Credit Suisse, SWITZERLAND, BIS, SNB.
- 4) "The Plaintiff is the Sovereign Root of Authority in a Court of Record".
- 5) "Holding Jurisdiction": How we have held Jurisdiction in the name of Jesus Christ, One, YHVH against the combined army of the Pope' Roman Curia, Roman Canon Lawyers, Jesuits, Jewish Bankers, Swiss Bundesrat, CERN, Swiss Army, Rabbis, CIA, MI6, Federal Reserve, BIS, U.K. Parliament, U.K. Bar Association, U.S. Congress, hardened "stiffnecked" fuckers and idiots, ad nauseum, that is to say de-facto Sovereignty is present in this Court of Record of YHVH, Ground of Being, our Lord Jesus Christ. Jesus Christ is the Settlor of the office of the Bishop of Rome by conquest of Rome through righteousness, c.f. John 10:30.

| > In Italy, many crib scenes feature the ruins of ancient Roman buildings in the
| > background. This shows that the birth of the child Jesus marks the end of the
| > old order, the pagan world, in which Caesar's claims went virtually
| > unchallenged. Now there is a new king, who relies not on the force of arms, but
| > on the power of love.
| > His Holiness Pope Benedict XVI [www.courtrecord.org.uk/Christmas]
- 6) "A declaration does not alter The Law": The applicable Law of YHVH, that cannot be changed, is Exodus 32. You will have to explain how the result is that Article 12 of their General Conditions has turned into "Turkey Stuffing".
- 7) "Order in Admiralty". A recipient of an "Order in Admiralty" must "do his utmost" to secure the object of the order. Historical precedent for the consequences for failure "do his utmost" to follow such orders is available in the trial of Admiral John Byng.
- 8) "Render unto Caesar ... ": It must be explained that this current era, set by His Holiness Pope Benedict XVI, is, "'Render unto Caesar what belongs to Caesar and to God what belongs to God,'" was the response of Jesus when asked about paying taxes." [www.courtrecord.org.uk/Christmas]

Order in Admiralty

It is our wish that the Lords of The Treasury and The Lord Mayor of the City of London do their utmost to:

- 1) Relieve Urs Rohner, Chairman of the Board of Directors of Credit Suisse of his duties;
- 2) Appoint a replacement, a man of Good Faith, acceptable to Her Majesty The Queen, who shall be seated at 46 Zugerstrasse, Unterageri in this Court of Record of YHVH for the process of "Render unto Caesar what belongs to Caesar and to God what belongs to God".
- 3) All vaulted cash of Credit Suisse are to be seized in Admiralty; c.f. "It is not permitted to withdraw cash at the counter".

| > Matthew 7:2 For with what judgment ye judge, ye shall be judged: and with what measure | > ye mete, it shall be measured to you again.

Creation of the Duke of Switzerland in Her Majesty's Commonwealth of Nations

We create Lord Keir Argent Duke of Switzerland in Her Majesty's Commonwealth of Nations, Receiver of Assets in this Court of Record of YHVH and bestow this title and all rights, duties and privileges upon the living man known as Keir Argent, in Chelmsford, England and Unterageri, Switzerland.

It is evident on the face of the Market News, that inter bank settlement is broken and that no amount of corporate bank-money-of-account creation can revive the Black Plague, the corporate, dead beast of banking.

Even as it was done at the end of the Great Plague of London circa 1666, the living must claim their property.

They must "Render unto Caesar what belongs to Caesar and to God what belongs to God".

They must take God's substance that is gold and silver that is restored unto them, send it to The Global Mint, mint Gold Globals and Silver Isles, and restore the Freedom of the City of London.

We send our love to YHVH for thee!

Yours faithfully,

Joseph Ray Sundarsson
