Dear Boris,

We can see that you are embattled by Project Fear ... which, as our recent Amicus curiae to His Holiness Pope Francis www.courtofrecord.org.uk/migrant shows, reaches into the heart of the Vatican. We suggest that you read the letter and the Cardinal Newman reference.

"What part of do unto others as thou would wish done unto thyself" is not clear to

these 'sacrificial' priests and witches of the 'Greenbaum' school, of which the Tory party, by its symbol, is the standard bearer?

The Prime Minister has, to all appearances, sold his soul to the 'most powerful' camp. ... or is it so? We have shown that the House of Bourbon has been given this role of Holy Roman Emperor - by the Jesuits - who operate out City of London and base their operations out of Parliament and the BBC.

English men and women are not going to tolerate Treason in 'their' Parliament. What part of this weaselling do they think they are going to get away with? Why do you think Tony Blair did not become President of England or the E.U.? At least he is honest enough to admit to himself and the public that his is "a negative".

The walking dead are those who support the E.U. or gold worshipping bankers or the sacrificial priests masquerading as the Cult of Mary or the Cult of Malta.

Those who 'puppet-master' entire nation states imagine this Court of Record of YHVH must be such an organisation. Nothing could be further from the truth.

We are for dismantling the infrastructure of all puppet-masters. We started with the U.S. C.I.A, we freed them from taking orders from European idiots (read, Cult of Malta). An idiot is a full time lunatic, with whom reason does not prevail. ("What shall we do with the drunken sailors ... etc.").

Others imagine this Court of Record must be like Judge Judy of U.S. TV fame, or men in High Chairs wearing wigs. Others may imagine it to be a front for a spy agency, like the NSA. Idiots!

So what then, does a Court of Record of YHVH look like? Think of the biblical King David in his 'study', as it were, by himself, singing the Psalms, looking within himself to That Which IS, to ponder the problems of governance. This is much like R.P. Feynman did, when he contemplated That which IS, to ponder the secrets of the atom. Only nitwits seek to enumerate all possibilities.

We suggest that you download, print and study the following from Cardinal Newman:
<http://newmanreader.org/works/rambler/consulting.html> (*urgent*)
<http://newmanreader.org/works/apologia/correspondence.html> (as time permits)

William and Catherine, Duke and Duchess of Cambridge, are seen in pictures with their children, purportedly skiing in France.

"Show your love for an English garden", says Charles, Prince of Wales.

Our recent fax about "incident 399", www.courtofrecord.org.uk/incident-399, has resulted, in chatter about "awesome" news of some 'very expensive' Italian 'Double Bull' weeds being pulled up in the "English garden".

Our recent fax regarding Mr. Pell, www.courtofrecord.org.uk/Pell_relief sent to all the Nuncios, resulted in the "I'm fucked" Pope Francis event, covered in our subsequent fax, www.courtofrecord.org.uk/migrant, wherein the analysis of Cardinal Newman is applied to determines "Who is Christian?".

Subsequent to this, you can witness the faces of those in the pew:

http://en.radiovaticana.va/news/2016/03/08/spiritual_exercises_spotlight_on_christ_not_the_church/1213865

There are signs we can see of a renewed attempt to assassinate His Holiness Pope Francis. Comprehending the relationship of the House of Bourbon to the farce at the Vatican, the Houses of Parliament and the U.S. Congress is key.

The chatter about the 'Glock 43' indicates the self-stuffing nature of the U.K. PLC 'Turkey'. The end of corporate governance cannot be stopped by force. It is 'donuts' inside and outside the U.K. Treasury.

Our recent fax to you www.courtrecord.org.uk/Boris_cheerup, where we ask you to "tell David Cameron to cheer up", implies the end of his and the Chancellor's enslavement to the Dark Emperor, the end of living under torture or the threat of torture, like was inflicted upon him in Portugal, etc. The minions of the Dark Emperor proceed on robotic pre-programming. Do they have "brass necks"?

- http://en.radiovaticana.va/news/2016/03/13/pope_francis_gives_st_lukes_gospel_to_angelus_participants/1215085

What must be done is this:

1) Comprehend the legal meaning of our recent fax wherein we mention Cardinal Newman and the return of the gold that went into Trust (see Luke 19 & 20).

- > "Who is Christian? To whom must the gold in trust be 'returned'?"
- www.courtrecord.org.uk/migrant

2) An English man - not a woman - a man of sworn loyalty to Her Majesty Queen

Elizabeth II of England, who has read and comprehended our letters to Queen Sofia and Queen Letizia of Spain to Her Majesty The Queen's satisfaction, must travel to meet the Monarch of Spain:

- > Members of the Royal Family:
- > His Majesty the King Felipe VI
- > Her Majesty the Queen Letizia
- > Her Royal Highness the Princess of Asturias
- > Her Royal Highness the Infanta Sofía
- > His Majesty the King Juan Carlos
- > Her Majesty the Queen Sofía
- > http://www.casareal.es/EN/actividades/Paginas/subhome_actividades.aspx

The above list of titles is from the "Activity Search Engine". The title 'His Majesty' or 'Her Majesty' indicates possession of Sovereign decision making capacity in a Monarchy. Monarch means 'One Authority'. There cannot be 4 monarchs in the Kingdom of Spain.

Therefore the following questions arise:

- 1) Who is the Monarch of Spain?
- 2) Is the Monarch a Christian?
- 3) Is the Spanish Monarch ready to end the farce?
- 4) What is the Spanish Monarch waiting for?

The death of Jesus Christ on the cross is an ever speaking symbol: "Canst thou defend thyself?", it asks a Christian King. We can see the farce in the tax fraud case. Christian Kings do not collect tax or put themselves in debt.

Art thou this man who can travel to Spain and ask these questions?

We await the answer to the questions!

We send our love to YHVH for thee!

Yours faithfully,

Joseph Ray Sundarsson

His Excellency Shimon Peres
Patriarch

cc: Allies for the Rule of YHVH's Law

Your Excellency,

We have forwarded our contemplation-in-progress for HMQ and the Ladies of the Court of St. James as it is urgent.

As it reveals, it is our wish to warn Rabbi Sacks about the entrapment-in-progress. We do not wish to send it to the House of Lords at this moment. Could you assist it getting it to him?

One other thing, Jack Engelhard, whose rants we occasionally read, wrote:

<http://www.israelnationalnews.com/Articles/Article.aspx/18475>

"Worry about your own backyard, David Cameron"

This article has several misconceptions: (1) That David Cameron is a free man, which he is not; that (2) He represents the men and women of 'Great Britain', which he does not; and that (3) ISRAEL, the Roman State, under the control of the Nuncio and the Roman Army headed by Netanyahu is the same as the tribe of Israel; and (4) "That was 3,000 years ago when Jerusalem was consecrated for the Jewish people onto eternity, " ... Was he witness? ... and witness to a continuous 'Jewishness' to the present date? Answer: no. It is not a truthful claim we can make before YHVH. The land of the 'Nation of Israel' was stolen by those now professing faith as a result of their special dispensation to lend, given to them by Roman Priests, who were well aware of the effect of their 'covenant' with YHVH and of Exodus 32. Scheming priests in uniform are the serpent of Genesis, arriving as a 'respectable, spiritual' man.

We are drawing your attention to the danger the Roman State of Israel is to the men, women and children who call themselves 'Jewish', a term invented quite recently, by

the 'British'.

The 'compound wall' around the said Roman State, obtained by force, by parties sacrificing their brothers into the Shoah to obtain their gold, is violation of Exodus 32 and the 10 Commandments. The families that orchestrated this were committing High Treason to the British Monarch of that time. London is/was the supposed 'New Jerusalem', a refuge for the 'Jewish' people. The LORD God never makes it easy.

There is the 'fact', visible to military observers, of a vast military deployment around the said Roman State and around the Roman Empire known as the E.U. We have mentioned this in a fax to RIT Capital Partners. It is blindingly obvious that "Jacob", Lord Rothschild, is unable to warn thee of his own jeopardy: "His back and arse are exposed", says a sign.

> "Silence is eternal speech"
> Sri Ramana Maharishi

The 'New Testament' is comparable to the Torah - acted in Egyptian Picture Language - one of the messages of the Crucifixion of Jesus spilling His blood on the Ground of Being, is equivalent to Moses saying that the Torah is there to testify *against* those of the Jewish religion.

The 'wall' with Mexico and the troops stationed there are to keep 'white Americans' in prison, unable to flee. It is no different with the wall around Israel.

One of the visible The Law of YHVH has been 'sung' in these letters. It is without doubt that "walls" will shatter, even as it is recorded in the Torah. It is better before YHVH to arrange these matters without war.

We did not fail to note the difficulty of your recent 'hospital' episode and to place it before YHVH.

We send our love to YHVH for thee!

Kindly expedite a copy of this fax to HMQ and the Ladies of the Court of St. James. 03 March 2015 contemplative journal

May it please Your Majesty,

The clock in the sky says Sun conjunct Ceres besides Neptune, Chiron opposite Jupiter+Node, Saturn trine Uranus. Moon approaching a solar eclipse on the night of 8th..9th March, when Moon joins Ceres Sun Neptune stellium.

Mahakali, Parvathi, has shown us that Catherine, Duchess of Cambridge can "see clearly" the presence of the LORD and into the hearts of the men who are "in school". We have seen a sign that the loss of the telephones troubles William.

We have a report that further phones for Your Majesty and significant members of the Royal family are ready and available in Chelmsford. Ladies are good at communicating, travelling incognito; wearing a burqa or different hairstyle, clothes, etc. There are

other internet phones, programmed and placed into the offices in Unterageri that can be picked up there.

It is our wish to provide these devices without cost - they can simply be picked up and more made available as needed. The wish of those to whom it would be useful are visible. It is not our wish to send the thieves masquerading as 'Royal Protection Officers' any more paperweights. By what authority did they steal the phones? Quo Warranto?

Mahakali has also shown us that the Serpent, the Tempter, is at work in London. There is great danger for anyone tempted by the so-called money that is being handed out.

A visible example is:

<http://www.timesofisrael.com/templeton-prize-awarded-to-rabbi-lord-jonathan-sacks/>

It is our wish that the Rabbi is informed by one of the ladies of the danger, which the learned Rabbi must know only too well.

His Holiness Pope Francis has given several sermons, the latest features the "Pope, sun tit, red light" image. The snakes are busy and His Holiness is surrounded by them.

> If the heart is hardened and closed, God's mercy does not enter.

> "This unfaithfulness of God's people," warns the Pope, is "also ours." It is "our own infidelity [which] hardens the heart, closes the heart!"

> "It does not allow [us to hear] the voice of the Lord who, as a loving father, always asks us to open ourselves to His mercy and His love. In the Psalms, the Pope adds, we all pray together: 'Hear now the voice of God. Do not harden your hearts! ' The Lord always speaks with us in this way, also with the tenderness of a father who says: 'Return to me with all your heart, for I am compassionate and merciful.' But when the heart is hardened, you don't understand this. God's mercy can only be understood when you are able to open your heart to let it enter. "

> www.news.va/en/news/pope-francis-recognize-sinfulness-to-receive-gods

We can see that Archbishop Gallagher is surrounded by snakes. We suggest Her Majesty's Gurkas are sent under cover to slay these 'hardened' snakes with a Kukri. Exodus 32:27 applies. "Thus saith the LORD God of Israel, Put every man his sword by his side ... and slay every man ...". "Slay", means, in this context, "kill with a sharp metal blade". We can already see that there must be faithful Scots and Englishmen who wish to volunteer.

> Archbishop Gallagher in Britain to highlight Holy See foreign policy

> Asked about concerns that Catholics are still not always trusted to be loyal citizens, the Archbishop says while some still believe this, it is important to recognize the enormous progress that has been made in terms of law and opportunity.

www.news.va/en/news/archbishop-gallagher-in-britain-to-highlight-holy

What His Holiness commanded him to do and the reality of what is going on in London, amongst the Tories, for example, and in Europe, and in, and amongst the banks, is visible. Can His Holiness Pope Francis trust a 'Catholic'? Can the Lords of the British Treasury trust a 'banker'?

We send our love to YHWH for Your Majesty!

Your Holiness,

Ave Maria!

The clock in the sky has the Moon having gone past Venus, racing towards the solar eclipse of the night of 8th..9th March. Venus, Mercury conjunct Fomalhaut, Neptune, Ceres-Sun-Chiron stellium, cover a little less than 1/12th division of a circle. Jupiter+Node are opposite the Sun.

> "For it is a terrible thing that I will do with thee", [Exodus 34:10] said YHVH to
> Moses, "Ex 34:13 But ye shall destroy their altars, break their images, and cut
> down their groves: 34:14 For thou shalt worship no other god: for the LORD, whose
> name is Jealous, is a jealous God".

"Men' know thy limits" says the LORD as the gentle Mother Mary.

We have interceded, as did Moses, "34:9 And he said, If now I have found grace in thy sight, O LORD, let my LORD, I pray thee, go among us; for it is a *stiffnecked* people; and pardon our iniquity and our sin, and take us for thine inheritance."

Mother Mary has shown us Your Holiness' predicament; "I'm fucked", thou thinks to thyself, as we can see that thou art surrounded by *stiffnecked*, hardened fuckers, as Moses himself is describing in 'subtle' picture language'. Ding dong, Mr. Pell?

Ask the Roman Priests - who are, as a rule, clean shaven:

- why images of Jesus are always shown with a beard?
- what is the secret about the Adoration of the Mystic Lamb in the Ghent Altarpiece?

Mother Mary has removed from many of thy flock, especially those in the Cult of Mary, the ability to contemplate the Father. They say they contemplate the gentle mother 'Mary', but do they?

We have not seen one example successful contemplation of the Crucifixion of Jesus, or of the Holy Bible. Mother Mary has shown us that the '14 stages of the cross' taught by the Jesuits, is a farce. The gentle Mother Mary has shown us why this is so. We suggest Your Holiness ask some questions and find out why.

There are 'successful' examples of the contemplation of the Holy Bible, which have resulted in great wealth, fortunes, and ... computers. Ask those you know what is it about computers what relates to the Holy Bible? From Genesis to 'the bottomless pit' is found in a computer, for example, in an Android phone. The 'tares' in the field of computers have it not.

> 'Wretched woman, whither are you running in so disorderly a manner?'

<http://newmanreader.org/works/rambler/consulting.html>

We suggest that this essay be read by those on 'retreat' for Lent.

and then contemplate the 'migrants' who have the 'faith' in Allah, One, Father, Jesus Christ, to 'risk' death to reach Italy, Germany, Belgium, Sweden, etc. Who is Christian? To whom must the gold in trust be 'returned'?

We send our love to YHVH for Mother Mary and thyself!
