Open Letter
Amicus curiæ

5 March 2014

Dear Mr. Komorowski:

May it please the Immaculate Virgin Mary with Her Child Jesus!

10 On behalf of our Plaintiffs, in pursuit of justice and right for **all** people, which therefore includes **all** men and women living in Poland, we send greeting!

15 Enclosed is our *Amicus curiæ* to assist Pope Francis with the **dissolution of the United States and the Federal Reserve**, to The Honourable Mr. Barack Obama, President of the United States, together with our *Amicus curiæ* to Mr. Didier Burkhalter, President of the Swiss Confederation and Chancellor Angela Merkel of Germany, the consequences of which are shaping the history unfolding today in the **Vineyard of our LORD**. Our letters are published at: www.courtrecord.org.uk/letters.html

20 The Polish Foreign Minister Radosław Tomasz Sikorski is conspicuous by his absence at the meeting in Paris that has resulted in a plan that, “stipulates the withdrawal of troops, *disarming of militants*, compliance with the Constitution and early elections”, according to French Foreign Minister Laurent Fabius¹. It is also reported, “*There is now stronger and stronger understanding that behind the snipers, it was not Yanukovich, but it was somebody from the new coalition*,” Urmas Paet said during the conversation² with Baroness Ashton³.

25 We suggest that Your Excellency inform the Prime Minister and Foreign Minister, which would lead to an initiative regarding ‘UCC Mirror Reflection’, including but not limited to reforming the courts and dissolving the ‘banks’ in Poland.

We pray to our LORD, Jesus Christ, that the country that gave the world Pope John Paul II, fittingly gets to bid farewell to the Pentagon in Europe, in spite of the current news, “Pentagon boosts training in Poland, NATO air policing amid Ukraine crisis”⁴.

30 We pray to our YHVH, LORD, our Immaculate Virgin Mary with Her Child Jesus, whose love is the shortest route to Holy Peace to put an end to the multi-century madness of European people.

Yours faithfully,

Joseph Ray Sundarsson
