Open Letter  
Amicus curiæ  
27 May 2016

**Dear Sir,**

In the name of **YHVH, Truth**, Our Lord Jesus Christ, Good News for **all** men, women and children, greeting!

We have heard testimony that the Chelmsford Police, who apparently cannot read or consult a Barrister, believe that 'Arrest Warrants' "come from Marstons". Perhaps they believe that a computer at STORK & CO delivers babies to the NHS.

The Treasonous judge Mr. Justice Morgan, is already 'in the dock' at 'Rolls Building' gently bobbing up and down with the 'swells', as it were.

"... as it were the pageants of the sea-

Do overpeer the **petty traffickers**,  
That curtsy to them, do them reverence,  
As they fly by them with their woven wings”.

- The Merchant Of Venice, 1597, by William Shakespeare.

The '**petty traffickers**' whom we seek, 'idiot beggars' as it were, have an **Arrest Warrant** against them from this *Court of Record*, sealed originals of which are with Her Majesty and the Chelmsford Police and published at [www.courtrecord.org.uk/arrest-1](http://www.courtrecord.org.uk/arrest-1). A copy is attached.

Our *Amicus curiæ* regarding **Misprision of Treason** to The Rt Hon Sir Nicholas Soames MP, grandson of Sir Winston Churchill, whose brother Rupert, is CEO of SERCO, is also attached. The consequences of which are visible in the 'signs' that are in the news. Even His Holiness Pope Francis is speaking in 'sign language', signalling, 'all systems go'. ... "Zip-a-Dee-Doo-Dah".

This *Court of Record* sets British Foreign Policy and has UNITED KINGDOM PLC, the 'helpless idiots' of the corporate Parliament, its companies and its courts, in 'Administration'. For an explanation of the phrase 'helpless idiots', please see:

[www.courtrecord.org.uk/stupidity](http://www.courtrecord.org.uk/stupidity)

We suggest you read the documents published in the Readme section on [www.courtrecord.org.uk](http://www.courtrecord.org.uk).

All this is the consequence of our *Letter Rogatory to the British Cabinet/Parliament* of 28 May 2013, published at [www.courtrecord.org.uk/British-PDF](http://www.courtrecord.org.uk/British-PDF), which resulted in the *Motu Proprio* of His Holiness Pope Francis, of 11 July 2013, where all immunities were stripped. This *Motu Proprio* entered into force on 1 September 2013. This document is published at:

[http://w2.vatican.va/content/francesco/en/motu\\_proprio/documents/papa-francesco-motu-proprio\\_20130711\\_organigiudiziari.html](http://w2.vatican.va/content/francesco/en/motu_proprio/documents/papa-francesco-motu-proprio_20130711_organigiudiziari.html)

This means that you, and/or for example those in charge of the CROWN corporation, have no immunity or limitation of liability. In this case, you have no immunity from the traditional English remedy for High Treason if you or your company fail to act. See Treason Act of 1351 (C2).

#### **Dost thou have a "brass neck" ?**

As this *Court of Record* is *de-jure* and *de-facto* responsible for the prosecution, this is the 'highest court' in this matter and you are hearing from the responsible 'Special Master'. See:

[www.courtrecord.org.uk/noose](http://www.courtrecord.org.uk/noose)

We suggest you consult an 'elder' English Common Law Barrister, not an inferior 'solicitor', regarding what 'Court of Record' and 'Misprision of Treason' mean.

#### **John 10:30 I and my Father are one.**

It has come to our attention on 26 May 2016 about quarter past 5pm London time, that Abigail Jones of Fisher Partners with two others, one of whom is an external IT man, **plan to trespass on this Court of Record of YHVH Trust Property at 32 Writtle Road, today, 27 May 2016, possible after 9AM**, for the sake of "security". Are they planning to change the locks and the IT setup on property that DOES NOT BELONG to them?

Is Marstons, the Chelmsford Police, the British Cabinet and Sir Jeremy Heywood, the Cabinet Secretary, going to abandon all their English Trusts ? What about all the nice English mansions held as Trust Property? Is Baron Jacob Lord Rothschild going to abandon Trust Law? Does the 'Sovereign Military Order of Malta' "believe" in Jesus Christ? and Luke 19 & 20 ? What about the Chairman, CEO and Shareholders of Lloyds?

The following documents comprise the history of this case:

[www.courtrecord.org.uk/Supreme-1](http://www.courtrecord.org.uk/Supreme-1)

[www.courtrecord.org.uk/Supreme-2](http://www.courtrecord.org.uk/Supreme-2)

[www.courtrecord.org.uk/Supreme-3](http://www.courtrecord.org.uk/Supreme-3)

The authority of the Chancery Division does not extend beyond London bank accounts, just as clamping cars to levy a Distress Warrant is all the courts can legally do. They must not forget who has authority over their U.S. Dollar correspondent bank accounts, for example, those of a Banco General in Panama.

Art thou going to stand idly by when Luke 19 is violated before Our Father, YHVH and Treason committed to Her Majesty The Queen?

The 'Sea of Poppies' recently on display, is indicative of the will of YHVH regarding this Misprision of Treason.

We suggest that you make all due haste to give effect to the wishes of this Court of Record.

We send our love to YHVH for thee!

Yours faithfully,

Joseph Ray Sundarsson
