Holy Father Francis,

Ave Maria!

We have faxed the Burmese Embassy in Rome. Kindly contact all extended Burma contacts. The proxy war between Hillary Clinton and the P2 Masonic Lodge and other forces (Israel, etc) that led to Fukushima involved the 'Axis of Evil' countries. We believe that Burma was used as a source for fissile ore, North Korea as a supplier of rockets, Iran as the purported enrichment facility while the real enrichment was done in Japan for a false flag front out of North Korea.

We have seen a headline [ <http://sputniknews.com/europe/20150506/1021768284.html> ] "UK Set for Election Earthquake".

We have seen headlines about the earthquake in Papua New Guinea. We believe there are vast underground "treasure" caves there ... "millions" of tonnes of fake gold bars - tungsten coated with gold. There is a native king there set for a false flag "King Solomon's treasure" plot, perhaps involving HSBC.

We have seen reports about underwater volcanoes and other earthquakes in the west of US mainland and off the west coast.

Diplomacy by earthquake is a shame / guilt upon mankind.

There is a warning about a "blood bath if liquidity dries up" ...

<http://www.telegraph.co.uk/finance/markets/11581820/Liquidity-drought-could-spark-market-bloodbath-warns-IIF.html>

The IIF is headed by a Mr. Douglas Flint, ex-HSBC, a name that suggests that he is the spark for a masonic fire.

The LORD has shown us that events may be planned for Burma. We suggest that Your Holiness contact all parties to ensure that there is no violence (fake earthquakes, etc).

The LORD has also shown us the path forward and a process that involves Leviticus 16:7-22 and two goats that will bring the world to finality of settlement.

We suggest that Your Holiness 'command' the Father General to ensure that the farce of elections in Israel and UK are shut down. He may find this more appealing than declaring his loyalty by a symbolic act.

Living scripture must be spoken in the language of the audience. It is the LORD who gives 'Being' to 'Blasphemy' - without which it could not 'exist'. It is the LORD who then collects on the debt as a result of the karma of Blasphemy. One may hide from the IRS but one cannot hide from Being, YHVH, /One/.

<http://www.news.va/en/news/presentation-of-the-extraordinary-jubilee-of-mercy> ... what an ugly logo. It says what the people who created it think of 'mercy' - or of 'Jesus'. Is this what the 'civilisation' that produced Michaelangelo is capable of? They can take their copyright and stuff it where the sun don't shine.

We have read Your Holiness' prayer, we too shall pray for the same.

We send our love to YHVH for thee!

Yours faithfully,
