X March 2015 - DRAFT

5 **May it please our Immaculate Virgin Mary,**

In the name of YHVH, Truth, Our Lord Jesus Christ, Good News for all men, women and children, greeting!

10 This is to record our recent interventions by fax regarding the "Fatted Golden Fleece"¹, Tribal Law for the management of Dangerous Idiots, the ongoing Blackmail-of-the-Prisoner-in-Vatican and unfolding world situation.

\$\$\$ Begin fax to 'Bush' [27 Feb 2015] \$\$\$

His Excellency George H W Bush

15 Your Excellency,

It appears that Prime Minister Netanyahu, in collusion with French-Italian¹ fascists have threatened your son His Excellency John Ellis "Jeb" Bush, perhaps with a "tsunami" from the mined continental shelf near the aptly named Canary Islands.

20 The "**untouchable**" scavengers of Europe, the wolves and vultures believe they are the kings of Jungle Warfare.

The **Lion King** has work to do. Jews in Israel are being threatened with the "**final solution**" extermination, with **Prime Minister Benjamin Netanyahu** playing a **disposable Judas Goat**. His Holiness Pope Francis is captive in the Vatican. All out **war on Syria** to **destroy evidence** of torture, sacrifice and crimes committed there is threatened. This is what we believe is the state of play.

25 The 10 Downing St fax machine continues to be busy. Kindly convey a courtesy copy via channels Your Excellency has access to. We have made independent efforts recorded below to alert the Prime Minister of Great Britain.

The man who had been offering "hazelnuts" at the Louvre is dead. "Blondie the bear" may be loose in Italy.

30 <http://www.telegraph.co.uk/news/worldnews/europe/italy/11066332/Outraged-Italian-farmers-call-for-Blondie-the-killer-bear-to-be-shot-after-more-mountain-rampages.html>

35 There must be a list of dangerous idiots. Start from the top². **CIA snipers were shamed in Ukraine doing the bidding of European legal idiots before 'Jesus Christ' - let the warriors vindicate themselves.** Those shot dead are to be cremated, not buried. Those who stand down or surrender are to be arrested and brought before this Court of Record.

Your Excellency already knows the work of this Court of Record to serve Dangerous Legal Idiots of the "Fatted Golden Fleece" and the Roman Catholic Priests, Kings and 'Republics' of Europe. Mahakali,

1 And **Belgian**, etc.

2 **Prime Minister Netanyahu** who was only recently lecturing young adults on how they are "enslaved" by *high tech* gadgets, finds himself to be even more **highly enslaved by idol worship** of the **Roman State** of "Israel", a puppet of puppet masters unseen. What has Prime Minister Netanyahu done to remove the nuclear blackmail dagger in the heart of New York City, located at the Israeli embassy ? [www.courtrecord.org.uk/Israel].

40 YHVH in Her Active form has preserved the judgement of Moses upon such Dangerous Idiots for posterity in **"stone and bone"** [The sin of the Calf]. **Moses also speaks of the Amalek, the Dangerous Idiots of his age** thus:

Exodus 17:13 And Joshua discomfited Amalek and his people with the edge of the sword.

17:14 And the LORD said unto Moses, Write this for a memorial in a book, and rehearse it in the ears of Joshua: for I will utterly put out the remembrance of Amalek from under heaven.

45 17:15 And Moses built an altar, and called the name of it Jehovahnissi: 17:16 For he said, Because the LORD hath sworn that the LORD will have war with Amalek from generation to generation.

"Weeds have grown up in the Vineyard of the LORD"

- His Holiness Pope Benedict XVI circa resignation.

50 Matthew 13:37 He answered and said unto them, He that soweth the good seed is the Son of man; 13:38 The field is the world; the good seed are the children of the kingdom; but the tares are the children of the wicked one; 13:39 The enemy that sowed them is the devil; the harvest is the end of the world; and the reapers are the angels.

13:40 As therefore the tares are gathered and burned in the fire; so shall it be in the end of this world.

55 13:41 The Son of man shall send forth his angels, and they shall gather out of his kingdom all things that offend, and them which do iniquity; 13:42 And shall cast them into a furnace of fire: there shall be wailing and gnashing of teeth.

13:43 Then shall the righteous shine forth as the sun in the kingdom of their Father. Who hath ears to hear, let him hear.

His Excellency Alexander Vladimirovich Yakovenko

65 Ambassador of Russia in London

Your Excellency,

In the name of our LORD, Jesus Christ, greeting!

It is our wish that Your Excellency send a copy of the fax for verified hand delivery to Rt. Hon. David Cameron, MP, Prime Minister of Great Britain and to the chief of MI6/SIS.

70 As of about 13:15 hrs GMT, the PMO fax line is still continuously busy indicating deliberate interference that endangers the security of the British Isles.

Indicate to the British Prime Minister that the Russian Fleet is on high alert in the Mediterranean and world wide.

75 In addition to war on Syria, we believe that there may be a threat of Tsunami to the East Coast of America from the device that was planted on the Continental Shelf near the Canary Islands. We suggest working closely with the CIA/MI6 to disable the threat.

Further contemplation follows later today. Be without fear, the LORD God YHVH, Shiva Himself, goes ahead of the warriors.

Yours faithfully,

110 Your Excellency,

Corrupt mayors have been caught, **corrupt scientists are harder to catch**. Catching them or killing them³ does not stop the Frankenstein monsters that they have unleashed. Killing them is the worst option because this means that no one knows where the "off switch" is. Some of them may have put in their own mad twist to Left Hand Path Chaos plots which, thanks to specialisation and compartmentalisation are not seen by controllers at overseeing secret services or the mad priests who sanctioned it.

115 **Mad professors must be taught to contemplate Being**, YHVH, Allah, Brahman - the Singularity of which each of our souls is but an expression, from which 'matter' quantum locates to create a world-appearance. Without the ability to contemplate the first chapter of the Holy Bible which describes Being, One, legal idiots before YHVH proceed to implement the last chapter, The Revelation of Saint John the Devine.

120 The strange intersection of unlimited 'charitable' funds available from Bank Trade Programs,

3 A mad Particle Physicist has **allegedly** been shot dead in Russia with a grainy video as 'proof'.

Orby looks up: <http://sputniknews.com/russia/20150228/1018878675.html>

125 Hollywood Glamour, mad professors/doctors, psychics, kinky sex, Agenda 21, Tamiflu, Strong Magnets, electronics, Cat Scans (neutron resonance), power supplies / coal fired thermal power stations, pesticides / herbicides, SETI and the idiots of the Georgia Stones may have a Left Hand Path plot unfolding. Part of this may be timed for the upcoming Solar Eclipse of 20 March 2015. Headlines proclaim the certainty of an EM event: <http://www.telegraph.co.uk/news/earth/11433786/Solar-eclipse-to-disrupt-power-supplies.html>

130 Mad professors may believe that they are going to benefit from their promised rewards under Bank Trade programs. The evil that comes from highly intelligent people who just "get off" from watching people / living organisms die is well known. Why worry about Palestinian suicide bombers when the 'west' is a 'zombie' 'suicide' case?

135 The **American Medical Association**⁴ has a long standing practise of **discombobulating** would-be doctors to create hardened robot killers. The practise of putting doctor-interns on 36 hour shifts is but just the tip of a "fatberg". Doctors injecting patients with radioactive substances just to see what happens is so 1970s. The leading "Frankenstein" monster creators must be interviewed to discover what they are waiting for.

Action items:

140 1. **Vaccine stocks worldwide must be seized and all mandatory vaccination programs stopped.** All drug companies, vaccine producers, their shareholders, Chairmen, CEOs etc., must be informed in no uncertain terms, in a manner they will never forget in this life, of their unlimited personal substantial liability. It is a "sticky trap" of the Goddess Isis they are stuck in.

145 2. **All chemtrail planes must be ordered to stop flying.** Any that disobey should be shot down. This must be coordinated worldwide. The origin of such vast quantities of substance and its 'doctoring' for many purposes must be studied. For example, is flyash from coal plants the source of the substrate? The entire supply chain must be stopped. Unlimited substantial liability attaches to all such idiots. They must be informed.

150 3. Tracers are often used to aid machines that visualize or otherwise act on soft tissue. The spread of tracers required for other purposes may involve the spread of dangerous substances using a dangerous substrate. For example, herbicides and pesticides and animal or human vaccines can be laced with radioactive isotopes or other substances. The triggering of **Cytoklyne storms** as kill vectors are well known. **Victims can then be blamed** for incorrect handling of such items.

155 - All herbicides and pesticides on a worldwide basis are suspect. Unlimited personal substantial liability attaches to those who use these vectors. Informed decisions must be made to seize supplies that are in process of being dumped on farms worldwide.

- Animal vaccines may be used to place bio decomposition products of such in the body of man. The suffering of the animal kingdom that feeds the 'human' is palpable. It is a case of **"homo sapiens blanco-e-stupido"**, resurrected, or more accurately, reincarnated from Mu.

160 4. We have seen reports that Los Angeles, CA water supply system is a poison grid capable of delivering a lethal dose to a specific household in the manner core memories work. This is a short summary. Necessary force is authorized to disable all such systems. Those who have participated in the creation of any such system are legal idiots, unfit for any further work.

5. Any EM plot or other plot for the upcoming Solar Eclipse is to be found and stopped.

Legal idiots are to be removed from any position of responsibility anywhere in the world.

165 **Ongoing reports of psychic warfare**

appeared."

Matthew 21:44 And whosoever shall fall on this stone shall be broken: but on whomsoever it shall fall, it will grind him to powder.

Treason at the Holy See

175

It can be seen from the news item of (1) the "environment" conference in Manilla (2) from Prime Minister Netanyahu's speech about Carbon Tax, (3) Reports of Italy having new tax agreements with low tax countries (3) that **legal idiots wish to enforce their funny set of books** and continue to hold the Bishops of Rome and the world hostage. They think that killing "Jesus", two Popes, the Roman Catholic religion and all the Jews in Israel is nothing for them. They think that can just switch to using the Archbishop of Constantinople as their new hostage.

180

They shall learn of the meaning of Cosmic Boomerang, for **"invisible chains have been placed around their feet"**.

185

We suggest that those responsible make plans to assist the Bishops of Rome to announce the new, the opinion or efforts at blackmail of treasonous idiots ***notwithstanding***. Should it prove that there are those who would make a mockery of His Pope Francis' retreat by blackmail and delay, all such are to be publicly named.

We suggest that all necessary assistance is provided to the Archbishop of Constantinople to prevent this **entrapment plot**.

We suggest that those who have tried this entrapment be themselves stuck in a sticky honeypot.

190

- **those who hold the Bishops of Rome in virtual house arrest are themselves to be placed under house arrest.**

- any **blackmail** is to be found out and **made public**.

- all **corporate 'bank' security** within Vatican City and Rome are to be **evicted**.

195

- **Necessary forces**, operating in the open without false flag, loyal to the Rule of God's Law in this Court of Record, **are authorized to deploy to Rome / Italy / Europe as needed**.

Note that the "Green" agenda operative in the Philippines is nothing but a cover operation for the agenda to steal all the gold, cut off the source of our food (CO2 in the air is what plants absorb to produce food) and to freeze the surface and depopulate using the Mad Priests (scientists, Tamiflu, for example) of the Religion of Humanity (so French).

/Prakriti/ the Nature of Our Immaculate Virgin Mary is not equal to "environment", which is just an appearance. Anyone who knows not Prakriti, the nature of the LORD, who tries to "protect" the environment forgets WHO protects who.

220 Those who use Religion of Humanity techniques in the name of 'Jesus Christ' are traitors to the LORD. The LORD, YHVH, My Father and I are One.

Exodus 20:5 Thou shalt not bow down thyself to them, nor serve them: for I the LORD thy God am a jealous God, visiting the iniquity of the fathers upon the children unto the third and fourth generation of them that hate me; 20:6 And shewing mercy unto thousands of them that love me, and keep my commandments.

The word "Green" is just a cover for Greenbaum techniques.

Many world leaders are so programmed. They know not what they do.

"Environment" agreements are void ab initio.

Your Excellency,

As His Holiness Pope Francis is away, I step forward to SPIT on the Ground and defend His Holiness regarding the term "Mexicanisation" of America.

245 Matthew 27:31 And after that they had mocked him, they took the robe off from him, and put his own raiment on him, and led him away to crucify him.

Legal idiots before Jesus Christ that Your Excellency represents sold the soul of 'Jesus Christ' for a few paltry Pesos, an open Stigmata on the body of American men women and children. The 'Knights'¹⁸ of the Roman Catholic Church who operate drug gangs are a puss that has festered in the Stigmata. The Priests of the Roman Catholic Church sold their Mexican children into the putrid mess. Did they contemplate 'Jesus Christ' who can see that the Bishop of Rome was entrapped by the worshippers of the Fatted Golden Fleece?

We trust that the Roman Curia has reflected deeply during the Spiritual Exercises to come together ... as One. If they cannot manage to come together, there is all the time in the universe to come one by one!

270 Saturn rules The Law in Scorpio, like a surgeon extracting arrows from a fallen warrior. Truth of The Law hurts, it offers no apologies, even as the nails in the Cross of the LORD, but it is the only path to healing and life.

It is a time to contemplate the vision of One, granted to Arjuna as recorded in the Gita, the Song of the LORD.

405 As **President Obama has recently said**, the saga unfolded by these legal idiots before YHVH / Jesus Christ / Osiris / Allah / One / Being, **"is boring"**¹⁴. A recent example: Mr. Gray from HSBC goes to the Middle East.

Simpletons must not fill forms. They must be fed. They must achieve the 'will power' necessary to follow the Ordinary Law, the Decalogue. An example of such a simpleton is the current governor of the Bank of England. The labour theory of value is so ancient Egyptian - tax the labourer is the policy of legal idiots. There is no inherent value in the Pound, a legal fiction used by legal idiots. As a result of the "Greek" crisis, imaginary prices paid by legal idiots are "going to rise". **Quick, have the idiots collect more imaginary taxes!**

Holy Father Francis,
Ave Maria!

420 We have seen the text of Your Holiness' address to the Mafia. To be legal before YHVH is not the same as being legal before Caesar, his 'state' or his courts.

Lest we forget, **His Holiness Pope Benedict XVI** wrote, " **“Render unto Caesar what belongs to Caesar and to God what belongs to God,” was the response of Jesus when asked about paying taxes. ...**

425 " Jesus' answer deftly moves the argument to a higher plane, gently cautioning against both the **politicisation of religion** and the **deification of temporal power**, along with the relentless pursuit of wealth. His audience needed to be reminded that the Messiah was not Caesar, and Caesar was not God. The kingdom that Jesus came to establish was of an altogether higher order. As he told Pontius Pilate: "My kingship is not of this world." "

430 There are urgent practical matters where '**converted**' **Mafia** can be of immediate help. An American women we know in another Latin American country is "**shipwrecked**" by Caesar, his state and his banks.

Any volunteers?¹⁵ They can travel there, bringing succour and **Good News**.

450 Your Grace,

It gives us pleasure to read your latest sermon for Lent:

<http://www.archbishopofcanterbury.org/articles.php/5503/archbishop-justin-on-a-good-lent>

455 Your Grace has said, "The key response in relation to God's hope to the exiles come near the very end of Isaiah, chapter 65 verse 1, where the highway of God's promised return is realised in God's own words to the people. When God says to them, almost desperately: "Here I am, here I am"."

It is in this context Your Grace must read the forward of our fax dated 19 Feb 2015¹⁶ to His Holiness Pope Francis, Grand Master Masons of Scotland, King of Norway, Queen of Denmark, President Putin, His Excellency George H W Bush, CIA, His Excellency Manuel Valls and Rt. Hon. David Cameron MP, Prime Minister.

460 As we mention in that fax, there is the karma of action and the karma of inaction, which is reflected in Isaiah 65.

The blood of Jesus Christ that spurted in a fountain, as it were, on the ground, is the Fount of Justice.

In the symbolic language of ancient priests, the condemned 'criminal' and this world appearance are the One that I-AM, Ground of Being.

465 The very solidity of the ground below one's feet is not a given, even as it was discovered in Mu and even as it is being re-discovered today.

To those who doubt the reality of the crucifixion of our LORD, we suggest that they read the testimony of Paramahansa Yogananda on Therese Neumann, the Catholic Stigmatist of Bavaria.

In this context we suggest that Your Grace examine the recent judgement of the 'Supreme' Court regarding 'Concepta Wood' a mid wife who objected to being forced to help abortions.

When one raises oneself above the emotional impact of the subject matter of the discussion, it is revealed that the **justices of the Supreme Court are saying that *they* are slaves.**

550 ***The hunt for Red***

*"Microsoft co-founder Paul Allen: I've found wreck of long-lost WWII Japanese battleship"*²⁰.

555 Seattle-born Allen, 62, is the 51st richest man in the world, according to Forbes Magazine, with a net worth of \$17.5 billion, and has long been interested in discovering wrecks of historical importance, as well as space exploration.

His search for the Musashi began more than eight years ago and drew on historical records from four countries, detailed undersea topographical data and advanced technology aboard his yacht, the 414-foot **M/Y Octopus**.

560 Despite numerous eyewitness accounts of the engagement, the exact location of the ship has remained unknown for 71 years.

Mr Allen's team combined historical data with advanced technology to narrow the search area, with a **hypsonetric bathymetric survey of the ocean floor** commissioned to determine the terrain. This data was used to eliminate large areas for the search team and also resulted in the discovery of five new geographic features on the floor of the Sibuyan Sea. ...

565 In 2012, he loaned the M/Y Octopus to the British government to search for the bell of HMS Hood, which was sunk by the Bismark in May 1941. The search of the Denmark Strait between **Greenland** and **Iceland** was unsuccessful, however, because of poor weather and powerful currents at depths of 9,200 feet around the wreck.

575 The search path is across the Pacific Islands to Antarctica. Are they idiots? No, it cannot be.

Ms Zielke said: "It's **not about money**, it's **not about expenditure rate**... I appreciate this search is an **unprecedented activity**. No-one has tried to undertake a search of this scale and size before in our history. But that being said, we've established the search area using the best information available to us and the **best minds in the world**".

They are searching for a **Vimana**²².

No surprise

585 The history of Man is a lot longer than what they teach in college. The lust for unconquerable force is ancient.

Christ, Krishna, Rama are incarnations of the non-dual One. The speaker of the *Ramayana* is **One**, Rama and Ravana are the One that I-AM.

590 It is no different as history unfolds today. "Thee and thy enemy is the One that I-AM".

To the knower of Brahman, 'Christ Consciousness', the drama of the ages and action-replay with evolution of conscious entities is the ever new *Kingdom of God*. This is the unspoken answer to the unspoken 'why'.

595 Geological time-lines and Nature

600 It is evident that the demons who lust to possess the "planet" Earth wish to wrest jurisdiction over the "environment" or Nature. A western 'scientist', an observer on a planet moving at a Red Shift 'speed' away from the Big Bang, fails to investigate the nature of the conscious observer. Have they ever considered that there is only **One**, the principle of both the *conscious observer* and the *field of observation* in which so-called 'matter' and 'environment' appear?

Minute Notes for 5 March 2015, early AM GMT

605 There are many unfolding issues requiring additional conscious attention that have manifested themselves in the past few days.

6:1 Dare any of you, having a matter against another, go to law before the unjust, and not before the saints?

6:2 Do ye not know that the saints shall judge the world? and if the world shall be judged by you, are ye unworthy to judge the smallest matters?

610 **6:3 Know ye not that we shall judge angels? how much more things that pertain to this life? 6:4 If then ye have judgments of things pertaining to this life, set them to judge who are least esteemed in the church.**

6:5 I speak to your shame. Is it so, that there is not a wise man among you? no, not one that shall be able to judge between his brethren?

6:6 But brother goeth to law with brother, and that before the unbelievers.

22 Vimana is air craft in Sanskrit

615 We watch Your Holiness amongst the unbelievers, those who have forgotten Jesus Christ, those who practice hardening their egos to the point where they have no feeling left. The devil, the ego, believes it is very 'advanced'.

The **Focolare Movement** visited Your Holiness during the General Audience²³. They have trained themselves to look happy. Do they know *Holy Peace*, the pure spirit of Brahman, *Ground of Being*?

620

Chiara Lubich's funeral shone a very public spotlight on one of the Focolare Movement's most serious shortcomings: the detachment from feelings encouraged in members.

625 In this case, it was so strong that the spontaneous reaction most human beings would experience in such circumstances was absent. Sister Madeleine, founder of the Little Sisters of Jesus, once said that in order to be Christian, it is necessary to be human first; but that is rather difficult in the Focolare Movement in which **'human' is a negative term**. Psychologists would say that the detachment from ones emotions that the movement promotes is **pathological and dangerous**. Indeed, it could well be the principal reason for the prevalence of depression and
630 mental illness to be found in Focolare from the top down. Now that the founder is dead, current and former members of the movement would benefit greatly from a probing and truthful investigation into this aspect. **The genuine gospel message is certainly not a recipe for mental illness .**

635 If it is truly God's Word, it should be just the opposite. I remember attending the funeral of a child at Loppiano, the daughter of married focolarini, who had died after suffering terribly from a painful congenital illness. The atmosphere was one of manic rejoicing and not even the parents or siblings let slip any indications of sadness or mourning. I wondered then, and I have wondered down the years, why no one pointed out that this is the Focolare approach and
640 certainly not that of the gospel. Jesus was very much in touch with his emotions and did not shrink from showing them in public. In particular, he wept over Lazarus' death, even though he must have known he had the power to raise him up. This is surely the good, human reaction to the loss of a loved one. And here is the nub of the problem. What exactly is the nature of the love that Focolare preaches if it is so disembodied, so disincarnate, that it feels no reaction to
645 the loss of someone one claims to have loved to the point of being ready to lay down ones life for them?

In life, as in death, the reaction to the loss of close friends is remarkably cold - as in the case of members who leave the movement for example. Can real love be compatible with such a lack of
650 feeling? **I have long been troubled that the gospel virtue of compassion was never mentioned in Focolare teachings**. Yet we read that Jesus had compassion on the multitude and that he wept over the fate of Jerusalem. He even compared himself to a mother hen gathering her chicks: a more tender and emotion-filled image would be hard to find. Yet how can the focolarini be expected to 'feel' or 'suffer' with others if they mistrust feelings so much.

23 en.radiovaticana.va/news/2015/03/04/pope_francis_charism_of_unity_anchored_in_eucharist/1126879

655

I remember how, shortly after leaving Focolare, I was moved by a television programme or a film which made me weep for the first time in nearly ten years. My emotions had been released from their prison. How can we obey Jesus' command to 'Weep with those who weep' if we are unable to weep ourselves? Rather than follow the stoical line of the movement, I prefer to follow the path that Jesus indicated: **'Blessed are those who mourn for they shall be comforted.'**

08 March 2015

We have recall in contemplation to YHVH, ‘Our father which art in heaven, hallowed be thy name’ the time of Moses and the exodus from Egypt. Our Mother who appears before us as the world image, plucking the strings of the gossamer universe-musical-instrument, remembers “in stone and bone” the judgement of Moses, preserved in the dry heat of the stone mountains of Arabia.

705 What is it O Father and Mother that thou spoke through Jethro, Moses’ father-in-law thus:

Exodus 18:17 And Moses’ father in law said unto him, The thing that thou doest is not good.

The Second Book of Moses: Called Exodus, King James Bible

It is our wish that upon this topic Rabbis learned in Hebrew meditate and write. One must contemplate the Torah before and after the event described here:

710 *Exodus 34:1 And the LORD said unto Moses, Hew thee **two** tables of stone like unto the first: and I will write upon these tables the words that were in the **first** tables, which thou brakest.*

The Second Book of Moses: Called Exodus, King James Bible

715 Moses led some of the men, women and children living in Egypt away from the rest, breaking the population in two – forever running from tyranny, never finding safe land. Without breaking Moses’ vow of Priestly secrecy, it is recorded in the symbolic language of the Torah that the ‘promised land’, *Ground of Being*, the *Garden of Eden* is *One*. It is this event that hides the Law of One and brings in the the laws of two, the laws for the management of a tribe of men, where the Priests *know of* YHVH but do not know YHVH, *Ground of Being*. It is the LORD as ‘other’ who harries thee for thou knowest not Him.

720 The LORD, called the Ancient, for He is beyond space-time, we can intellectually describe as a singularity, the singularity that is the fount of space-time within thee. Yet such does not convey the Power of *knowing* YHVH.

Job 12:9 Who knoweth not in all these that the hand of the LORD hath wrought this?

12:10 In whose hand is the soul of every living thing, and the breath of all mankind.

12:11 Doth not the ear try words? and the mouth taste his meat?

725 *12:12 With the ancient is wisdom; and in length of days understanding.*

12:13 With him is wisdom and strength, he hath counsel and understanding.

12:14 Behold, he breaketh down, and it cannot be built again: he shutteth up a man, and there can be no opening.

12:15 Behold, he withholdeth the waters, and they dry up: also he sendeth them out, and they overturn the earth.

12:16 With him is strength and wisdom:

730 *12:17 He leadeth counsellors away spoiled, and **maketh the judges fools.***

*12:18 **He looseth the bond of kings,** and girdeth their loins with a girdle.*

12:19 He **leadeth princes away spoiled**, and overthroweth the mighty.

12:20 He removeth away the speech of the trusty, and **taketh away the understanding of the aged**.

12:21 He poureth contempt upon princes, and weakeneth the strength of the mighty.

735 12:22 He discovereth deep things out of darkness, and **bringeth out to light the shadow of death**.

12:23 He increaseth the nations, and destroyeth them: he enlargeth the nations, and **straiteneth them again**.

12:24 He **taketh away the heart of the chief of the people** of the earth, and causeth them to wander in a wilderness where there is no way.

12:25 They grope in the dark without light, and he maketh them to stagger like a drunken man.

In addition to the above correspondence, we read in an article datelined 05/03/2015 07:58, “*Draghi: Cyprus on course to exit bailout*”³⁵. He looks a bit stressed. The opposite of a ‘bail out’ is a ‘bail in’. **Where does he think the gold is coming from?**

Without the protection of the Law of Christ in this Court of Record, a European Chartered Accountant has the same rights, under European [Napoleonic] Civil Law, as “**furniture**”. There are a number of Dark Lords waiting to sit down to lunch.

Amicus Curie for Chartered Accountants³⁶

820

So the living man Neil Usher, ‘Director’ of the European ‘Court’ of Auditors and the living man Mario Draghi, European Central Bank ‘President’ have been ‘sat’ on by the expected Dark Lords and treated as “furniture”.

825

The European Court of Auditors, the E.U. doing business as various names, have no further “mandate”. The Dark Lords who sat on them have handed themselves a ‘Jungle Warfare’ death sentence for Dangerous Idiots.

In other news, we see that “Italy, Liechtenstein sign tax treaty”³⁷, “Tax deal with Switzerland to stop bank secrecy, fight evasion”³⁸, etc., show that some Dark Lord, a veritable Caesar, is using the corporate ‘republic’ of **Italy** as a **Burqa**.

830

There are other ‘dots’ that also connect Cardinal Pell, Luxembourg, etc. When one rises above the frenetic fray of gold lust, taxes and void books of accounts, it can be seen that in so disclosing ‘tax’ information, the Roman Catholic regard for Non Disclosure and Secrecy clauses in agreements with the living men and women to whom they have provided ‘banking’. The **treaties and good faith of Roman Catholic kings and legal fiction republics are in dishonour**. Roman Catholic kings and princes **cannot be trusted. They can hardly expect Non Disclosure of their past !**

835

What part of His Holiness Pope Benedict XVI’s Christmas 2012 message³⁹, “*Render unto Caesar what belongs to Caesar and to God what belongs to God*” do they not get? His Holiness also reminded them about Roman Ruins:

840

*“In Italy, many crib scenes feature the **ruins** of ancient Roman buildings in the background. This shows that the birth of the child Jesus marks the end of the old order, the pagan world, in which Caesar’s claims went virtually unchallenged. Now there is a new king, who relies not on the force of arms, but on the power of love.”*

How much ruin do they want with their bones on their estate?

The Open Wound

845 The blood of Christ pours through the open wound of “Gentiloni - marines issue 'open wound'”⁴⁰ statement. It goes on further to claim, “the case that occurred while they were on anti-piracy duty”. It is no secret that the Italians were on a board and scuttle operation. It is no secret that the Italian ‘republic’ is used as a condom for those who want to **fuck** Africa and India.

Such aggression towards fishermen is like unto the behaviour of the Amalek, condemned by YHVH:

Deuteronomy 25:17 Remember what Amalek did unto thee by the way, when ye were come forth out of Egypt;

850 *25:18 How he met thee by the way, and smote the hindmost of thee, even all that were feeble behind thee, when thou wast faint and weary; and he feared not God.*

25:19 Therefore it shall be, when the LORD thy God hath given thee rest from all thine enemies round about, in the land which the LORD thy God giveth thee for an inheritance to possess it, that thou shalt blot out the remembrance of Amalek from under heaven; thou shalt not forget it.

All Roman Catholic kings, princes, corporations and republics are “stripped”.

855 *Exodus 32:25 And when Moses saw that the people were naked; (for Aaron had made them naked unto their shame among their enemies:)*

Exodus 33:6 And the children of Israel stripped themselves of their ornaments by the mount Horeb.

Mercy is not foolishness

860 The judgement of YHVH upon the tribe of Hebrews for the Sin of the Calf is merciful. The event marks a dividing line between the path to One, Ground of Being and wandering for many millennia where YHVH appears to be not.

Exodus 34:6 And the LORD passed by before him, and proclaimed, The LORD, The LORD God, merciful and gracious, longsuffering, and abundant in goodness and truth,

865 *34:7 Keeping mercy for thousands, forgiving iniquity and transgression and sin, and that will by no means clear the guilty; visiting the iniquity of the fathers upon the children, and upon the children's children, unto the third and to the fourth generation.*

Baron Sir Dr. Jonathan Henry Lord Sacks, whose writings we follow, has written about these very verses recently and them thus:

870 “The Lord, the Lord, the compassionate and gracious God, slow to anger, abounding in love and faithfulness, maintaining love to thousands, and forgiving wickedness, rebellion and sin. **Yet he does not leave the guilty unpunished** ... (Ex. 34: 6-7)

The guilty punish themselves, for YHVH *within* them judges them directly. The only appeal and escape is within.

875 *Wise men are instructed by reason;
Men of less understanding, by experience;
The most ignorant, by necessity;
The beasts by nature.*

- Letters to Atticus, Marcus Tullius Cicero

880 We wrote, “the legal point about Caesar has been made”, when upon our advice, Your Holiness was able to get the ‘Gray Pope’ arrested. Apparently the ‘human’ beasts of the Roman Catholic Church do not understand Caesar’s Law or God’s Law.

40 http://www.ansa.it/english/news/politics/2015/02/27/gentiloni-marines-issue-open-wound_57cef1c6-15ab-42c0-a65e-428969bae711.html

A plot unfolds

885 The grace of the contemplation of YHVH in Her Active form as the unfolding world-idea around us shows us that the recent news item, “*Holy See to UN: Countries should strive to end the death penalty*”⁴¹, this masks a deeper plot, perhaps connected with “*Pope Francis to travel to Pompeii and Naples*”⁴². Is there a planned equinox ‘sacrifice’ which could involve Your Holiness?

Mahakali looks directly into the heart of man. There is no ‘privacy policy’ with Her.

890 The reasons why Your Holiness has been advised thus against the death penalty are that **Caesar and his senators** have no need for a ‘trial’ before executing or ‘sacrificing’ people wholesale. See MH17 and courtofrecord.org.uk/Holland for an example.

895 We suggest that the ‘Knights Templar’ and others who have returned to the path of Christ investigate their brothers. It is best when those *perceived* to be outsiders are not seen to be executors of such justice. In reality there are no ‘outsiders’. See Exodus 32:27, 17:13-15; Deut. 25: 17-19. The beasts, Dangerous Idiots, “*animal spirits*”, who cannot be instructed or reasoned with, who continue to return to the “*vomit*” of wholesale violence, must be slain. This is the path of mercy, “*Exodus 20:6 And shewing mercy unto thousands of them that love me, and keep my commandments*”.

The LORD as 'remover of sin', present in thy heart, shall show thee all the way. Be not afraid, there shall be more freedom, liberty and happiness than any of thee can dream of.

We suggest that Your Majesty serve copies of this fax upon all the lunatics and idiots doing business in Belgium.

Ave Maria!

970 Lines 700 et seq have been written in the past hours. The contemplation covers the Sin of the Calf and the Amalek as a background for the ongoing acts and plans of Dangerous Idiots of Europe.

We have heard from the European Court of Auditors. This seems linked to the ongoing plot described at the end. There is no "mandate" left for them to continue to count no thing. They are not about to get "gold" for their imaginary Euros. It would be better for them to resign and find productive work to do converting to trade in substantial short term contracts.

The curse of Moses can be seen operating in the pages of history. We recall a documentary where it is shown that the Holy See intervened to mitigate the Spanish Inquisition but that this was not heeded by the Roman Cults.

1075

The Roman Cults who worshipped gold destroyed a superior civilization built by YHVH known as Allah to the Muslims. The conquering 'Roman Catholic' Spanish did not recognise Allah as the same

word YHVH, Ground of Being. Why were the Roman Cults surprised when the LORD created a Sultan as a veritable Caesar? Why are we surprised when we read that Maimonedes, who reinterpreted the Torah by the light of Aristotle suffered misfortune with his brother and a venture to India?

1080

The whip of this curse drove the Spanish to conquest and loss of their conquered possessions. The tremendous suffering of the Roman Catholics in South America, for example in the *Guerra de la Triple Alianza*⁵¹ came as a result of gold worship.

1085

Baron Rothschild would be very familiar with the bond games in Latin America. The game of the oldest bond wins, the Peruvian “Guantanamo” Bonds, the assumption of debt by the “United States”. It has been easy to get Roman Catholic gold worshippers to die for their gold lust.

By the grace of YHVH, the tradition of getting idiots to die in a war against Russia every hundred years has not gone well for this time. The writ of YHVH is visible in the unfolding history. The fate of the 4th Baron Rothschild is in the hands of YHVH.

1090

13 March 2015

Exodus 32:1 And when the people saw that **Moses delayed to come down out of the mount**⁵², the people gathered themselves together unto Aaron, and said unto him, Up, make us gods, which shall go before us; for as for this Moses, the man that brought us up out of the land of Egypt, we wot not what is become of him.

1095

32:2 And Aaron said unto them, Break off the golden earrings, which are in the ears of your wives, of your sons, and of your daughters, and bring them unto me.

32:3 And all the people brake off the golden earrings which were in their ears, and brought them unto Aaron.

32:4 And he received them at their hand, and fashioned it with a graving tool, after he had made it a molten calf: and they said, **These be thy gods, O Israel**⁵³, which brought thee up out of the land of Egypt.

1100

32:5 And when Aaron saw it, he built an altar before it; and Aaron made proclamation, and said, **To morrow**⁵⁴ is a feast to the LORD.

Saints “are those who are not afraid to let themselves be caressed by the mercy of God. That’s why the Saints are men and women who understand pain, suffering and human misery, and they accompany the people of God. They do not **despise** the people”.

His Holiness Pope Francis⁵⁵

Christianity never took proper root in Europe. The secrets were hoarded by the elite Roman Priests. The LORD incarnated as Martin Luther and released the *Gospel of Jesus Christ* and the Torah to the men, women and children. The *Edict of Worms* records that the Roman Cult **despised** Martin Luther and the people.

1110

YHVH, **One** speaks the pages of history. It is the LORD who was King Henry VIII who had a tapestry woven showing the Pope with the beehive hat that showed the Pope being stoned – the stones were

1115 ***The promised ‘austere’ man***

Luke 19:20 And another came, saying, **Lord, behold, here is thy pound, which I have kept laid up in a napkin:**

19:21 For I feared thee, because **thou art an austere man:** thou takest up that thou layedst not down, and reapest that thou didst not sow.

“Thou shall not lend”, revealed by Moses, written down as a commandment by Jesus, in a parable.

1120 The men who settled the Federal Reserve were not idiots. They set up a Pure Heart Foundation, which since went on to become Geneva Oil Traders S. A. (G.O.T. S.A.).

The promised **austere man** who knows “YHVH and I is **One**”, is here in this *Court of Record*.

Medium Term Notes are Void ab Initio

No substance is ever at risk.

1125 When His Holiness Pope Benedict XVI announced in 2008 at the Lourdes⁵⁶, France, there were no men to hear His Holiness. They were too busy eating crushed “Hazelnuts”.

They do not heed His Holiness Pope Francis “*denounce triumphalism*” of drug traffickers.

The “*irrational exuberance*” of such Dangerous Idiots is premature. **Mahakali shows us that they are now haggling over the discount rate.**

1130 ***The cure in Moses’ curse***

Even in Moses’ time, the Hebrew tribes quickly forgot how YHVH delivered them from slavery in Egypt. They longed for the “*meat and onions*” of slavery.

1135 In *The First Book of Moses: Called Genesis*, he records a time when a wise Pharaoh let Joseph, a man who knows God, rule Egypt. Moses’ curse has delivered thee all back to that time in new *deluxe* circumstances.

Genesis 41:33 Now therefore let **Pharaoh** look out a man **discreet and wise**, and set him over the land of Egypt.

It can be seen that the hidden blessing of Jethro, Moses’ father-in-law, has now borne fruit.

“ ... Many people, here in France as elsewhere, have reflected on the relations between Church and State. Indeed, Christ had already offered the basic criterion upon which a **just solution** to the problem of relations between the political sphere and the religious sphere could be found. He does this when, in answer to a question, he said: “**Render to Caesar the things that are Caesar’s, and to God the things that are God’s**” (Mk 12:17). The Church in France **currently** benefits from a “regime of freedom”. Past suspicion has been gradually transformed into a serene and positive dialogue that continues to grow stronger. A **new instrument** of dialogue has been in place since 2002, ... I am firmly convinced that a new reflection on the **true** meaning and importance of **laïcité** is now necessary. ...”

1145 Genesis 42:18 And **Joseph** said unto them the third day, **This do, and live; for I fear God:**
42:19 If ye be true men, let one of your brethren be bound in the house of your prison: go ye, **carry corn for the famine of your houses:**
42:20 But bring your youngest brother unto me; **so shall your words be verified**, and ye shall not die. And they did so.

1150 **Necessary force** is authorised. The Exchange Stabilisation Fund is authorised to “**carry corn**”, that is to say, accept bills of exchange on deposit at any bank in New York or London for goods in demand for the “**famine of your houses**”.

Eastern Ecclesiastics take note

The proposal for a BRICS bank is put in suspended animation, eastern ecclesiastical authorities are warned to practice what they preach, **non-interference** in the affairs of this *Court of Record*.

15 March 2015 11:11pm GMT

It appears that hubris can completely obscure military reality.

1160 Very few people have the competence to declare war when Mahakali dances upon their “gates of hell” and reduces it to rubble. The “pink ties” at the BBC may find that Jeremy Clarkson may be their next super-boss. The fog of news obscures the action, yet those with eyes can see.

Mahakali, YHVH in Her Active Form, shows us that the 4th Baron Rothschild is drunk with hubris believes himself to be “more important than the Queen” with the Power To Declare War and the Power to cut off Her Majesty The Queen from outside communication and hold Her Majesty voiceless.

1195 Mahakali has shown us that certain Rabbis hold (those alive now) and have held (those who were decision makers in the Second World War), the view that the Holocaust is spot of *Vayakhel*, that is, what creates a *Spirit of Community*. The Darwinian culling of the weak, harvesting their gold, resulting in the end in “team building”, *akehillah*, a community ‘protected’ by ‘hardened killers’, ready for ‘Burning Man’ Armageddon⁵⁸. Did Baron Rothschild press the button? He thinks *he* has decided the next P.M. of Israel.

1200 Mahakali shows us that Baron Rothschild thinks that the entire mass of war gold is *his*.

The result: *Adam bahul al mammon* – **insanity**⁵⁹.

1205 How the ‘strong’ led the ‘weak’ to ‘invest’ in their own death by Holocaust, the books of account of the ‘banking’ families must show ... which evidence, we believe, they are trying to destroy even now. In their hubris they believe that **they** brought the United States in to the Second World War on the side of Great Britain. Mahakali has shown us that when they realised that Hitler would not be able to deliver them the territory of Israel, they ‘cut a deal’ to bring the United States to war on their side.

We charge **Nathaniel Charles Jacob Lord Rothschild**, 4th Baron Rothschild with **Treason**.

1210 **Necessary force** by the *Allies* for the Rule of God’s Law is authorised to **capture** him and his cohorts. If he is acting like an idiot, **detain him in in a Virtual Reality simulator, ‘fighting’ ‘Battle of Armageddon’, until released by this Court of Record.**

58 By the grace of the LORD it can be seen that the blessing of Jethro is a curse upon such legal idiots before YHVH. Moses recorded the Torah to bear witness **against** them. The LORD shall deliver thee to perfect individuality, that thou can walk alone, yet build ‘community’ without ‘collectivism’. Atheists, Muslims, Christians and Jews (and other religions) together as **One**.

1215

Your Holiness has called Naples to “**redemption**”. We quote a few lines below for readers of our Open Letter:

1220

The Gospel we have heard presents us with a scene set in the Temple of Jerusalem, at the height of the Jewish Feast of Tabernacles, after which Jesus proclaimed a great prophecy revealing himself as the source of “living water,” that is, the Holy Spirit (cf. Jn 7:37-39). Then the people, very impressed by him, began to speak about Him – even today, people speak about him. Some were excited and said, “He is really the prophet” (v. 40). Someone even affirmed, “This man is the Christ!” (v. 41). But others were opposed because, they said, the Messiah does not come from Galilee, but from the seed of David, Bethlehem; and so, without knowing it, they confirmed the identity of Jesus.

1225

The **chief priests had sent officers to arrest him**, as occurs in dictatorships, but they return empty-handed and say, “No man ever spoke like that!” (v. 45). Here is the voice of truth that resonates in those simple men.

1230

The **Word of the Lord**, yesterday like today, **always causes a division**⁶⁰—the word of God always divides—between those who welcome it and those who reject it. Sometimes, it sparks an interior conflict in our hearts; this happens when we perceive the attractiveness, beauty and truth of Jesus' words, but at the same time we reject them because they are challenging, they put us in difficulty, and cost us too much to observe.

1235

Today I came to Naples to proclaim together with you: Jesus is Lord! I do not want to say it alone. I want to hear you say it. (Jesus is Lord!) Once again. (Jesus is Lord!) Nobody speaks like him! He alone has the words of mercy that can heal the wounds of our heart. He alone has the words of eternal life (cf. Jn 6:68).

1240

The Word of Christ is powerful: it does not have the power of the world, but that of God, which is strong in humility, even in weakness. Its power is that of love—that is the power of the Word of God—a love that knows no bounds, a love that makes us love others before ourselves. The Word of Jesus, the Holy Gospel, teaches that true **blessed are the poor in spirit, the non-violent, the meek**, those who work for peace and justice. **This is the force that changes the world!** This is the Word that gives strength and that can change the world. There is no other way to change the world.

1245

It can be seen that, drunk with the power of money, the **Top Hat** of London does not recognize YHVH when He appears as a humble butler, saying victory is at hand !

It appears that they would rather wear **Hard Hats** and retreat to a **Deep Underground Military Base (DUMB)**, wear a Hard Hat, eat cockroach fat and play **Battle of Armageddon**.

In the meantime His Royal Highness Prince Charles, Prince of Wales, is in America, perhaps on behalf of the said Top Hat⁶¹ speaking like a **pugilist**⁶² about ‘climate change’⁶³.

1250

It appears that HRH Prince Charles’ advisers may have just pointed out to His Royal Highness Prince Charles, that “Queen Camilla”⁶⁴, has helped His Royal Highness cool down when the ‘climate’ is hot and

be not so “stiffnecked”.

1255 His Royal Highness must reflect that he has already been thus managed as a Dangerous Idiot and that the path of a return to honour lies in prayer, repentance and acceptance that Truth is come to sing in this *Court of Record*.

“TSB confirms £1.7bn takeover move by Spain’s Sabadell”⁶⁵ shows that perhaps the “playboy”⁶⁶ Spanish king of old and the his cohorts have taken the cash drug money from Cuba and placed their “redemption” claim with the London Top Hat.

1260 “England must be ruthless to avoid eclipse”⁶⁷, claim some mystical advisers, “Politicians are like children, we just have to let them get on with it”⁶⁸ says another; Rt. Hon. David Cameron, must be “locked out”⁶⁹ of ‘10 Downing Street’, say yet others.

There are reports that some Dangerous Idiots in England have called for a nuclear first strike against Russia. The French, who, because they do not trust the French, buried their gold in Haiti, are worried that this gold may be “mined” by Hillary Clinton.

1265 “French Submarine 'Sinks' Entire US Aircraft Carrier Group During Wargames”⁷⁰, which demonstrates the obvious, and there are reports these ancient boats are being sent back to base, perhaps for a new Pearl Harbour style false flag attack.

1270 France’s Foreign Minister Laurent Fabius adds his name⁷¹ to the list of Dangerous Idiots, while a “US intel report scrapped Iran from list of terror threats”⁷². He is shirking the work that he has to do, that is, to dismantle the French communal condom, the 5th Republic.

1275 Does the ‘return home’ ‘mad’ visa rule applied to ‘Japanese academic’ Dr Miwa Hirono. 38, “foreign policy expert”, who is married to Peter Trebilco, 61, who have a one-year-old son Tada, signal a shift in the use Japan as a ‘demoniacally possessed’, ‘unconditionally surrendered’ Power Base in the East? Our Open Letter readers will recall that our contemplation regarding HMS Daring after the Philippine Hurricane altered the declared destination of the ship to Japan.

Regarding the Israeli election, that we suspect were stolen, confirmation appears, “The Prime Minister’s strategists reveal how they **seized** the election from the jaws of defeat”⁷³, while, “whoever kisses mezuzas, that’s his problem... There are **stupid** people in all different population groups”, sums up Prime Minister Netanyahu’s current world-appearance.

1280

THE BASIC LAWS OF HUMAN STUPIDITY⁷⁴

Always and inevitably everyone underestimates the number of stupid individuals in circulation. The probability that a certain person be stupid is independent of any other characteristic of that person.

1285 Corollary: The probability that a certain person acts stupid is distributed in time.

A stupid person is a person who causes losses to another person or to a group of persons while himself deriving no gain and even possibly incurring losses.

1290 Non-stupid people always underestimate the damaging power of stupid individuals. In particular non-stupid people constantly forget that at all times and places and under any circumstances to deal and/or associate with stupid people always turns out to be a costly mistake.

A stupid person is the most dangerous type of person.

Corollary: **A stupid person is more dangerous than a bandit.**

1295 So what is going on in the Middle East with the War on the *ISIS*, the *Islamic State*? Jordan's brave Queen Rania⁷⁵ calls on IS to remove "I" from ISIS and distance themselves from association with Islam which they represent falsely.

The Truth is laid bare, that the *Buddhas of Bamian*⁷⁶ can see, what is going on is fanatical archaeology, whilst searching for a *vimana*, with the objective to "preserve" our "heritage"⁷⁷ in case Europe blows up in a shit fight amongst the mad men of Sodom.

1300 So why the "Hunt for Red" and the "New Island of Tonga" ? More of the same, with the added benefit that the "*best minds in the world*" are parted from their illusory "*money*".

1305 When the cranes of Dubai stopped in mid swing, *Mahakali*, Our Immaculate Virgin Mary, revealed that English bankers did not know anything about money-in-the-world-today. A riddle for them: what happens when you cross a White House with a Black Market? It can be seen that warring tribes of Europe and Israel have more faith in **stupid** bandits than in YHVH !

On the eve of the Israel Elections we wrote thus:

[17 Mar 2015 01:36 GMT]

His Excellency Shimon Peres

Your Excellency,

1310 It is our wish that thou tell Prime Minister Benjamin Netanyahu that he will be more useful outside the Roman Caesar government than in it. (a) He'd be alive⁷⁸ and (b) He can do stuff as a de-facto Lord. The LORD is not against him or warriors.

See Ayn Rand's *Atlas Shrugged* as a metaphor for the fall of Caesar ... or the Egyptian Pharaoh ... same thing. The new economy won't be run by the State or Bankers. "Render unto Caesar ...".

1315 YHVH has written that blood libel or tribal law shall fail. This is also revealed by contemplation of Jethro - Moses.

We send our love to YHVH for thee,

1325 Mahakali has shown us that should Europe go mad and try to cause the Yellowstone super-volcano to go off, Europe would explode first "due to 'asteroid' impact".

'U.S Veterans' have begun to hear the "gossip"⁸⁰ that their ought-to-be world would have exploded, had "**Gore**" won. We agree with President **Putin, Duke of Russia** in Her Majesty's Commonwealth of Nations, "*Life would be boring without gossip*"⁸¹.

1330 Mahakali has shown us that a stone raised in the hand drives away the gathering vultures from the feast of the newly born calves and that a strong man with a Big Stick can chase a rutting young bull into a corral and arrange to give it a good kick. Have we not already seen Mahakali in action?

1335 We suggest that all Israeli and European bankers and ah-so important families, including but not limited to Baron Jacob Lord Rothschild, and all European banks be placed in the care of the *Exchange Stabilisation Fund* and treated as *Dangerous Legal Idiots*. There won't be any further need for ROTH authorisation on SWIFT transfers to give His Lordship the *illusion* of control. His Lordship's recent China-money venture gives a whole new meaning to "laughing stock". The "horse" of a market must come first, there is no authority for fraud of any sort and real money markets behave very differently from real money markets.

1340 The *Exchange Stabilisation Fund* is already authorised to "carry corn" for their famine, which can be seen to be caused by "*bone-idle-itus*"⁸². When Lord Maynard Keynes called gold a barbaric relic he was talking about how the *Bills of Exchange* market allowed a small pool of gold to function.

1345 That expertise has been lost. It can be seen in families, in companies, in larger units of society that no one does what they say and no one knows what they are talking about. The greatest danger to the world is the lost ability to transmit wisdom to the next generation.

Mad Whales

We have seen pictures that lead us to believe that the statue of Christ the Redeemer in Brazil was constructed as a 'Burning Man' statute to celebrate the fall of Christianity.

1350 Jeremy Clarkson has said that he believe that the world is "*run by whales*"⁸³, while he is just a plankton, despite one million signatures delivered in a battle tank to the BBC by 'The Stig'. He does not have to worry, he is going fishing in a Powerful Boat with the *Fisher of Men*. As we wrote earlier, when His Holiness Pope Benedict XVI resigned, he shot a harpoon deep into a whale ... with 'Jesus Christ', and 'Saint Peter' around, no fish is too big to catch, "*O ye of little faith*" !

1355 *Matthew 7:2 For with what judgment ye judge, ye shall be judged: and with what measure ye mete, it shall be measured to you again.*

The **Prince of Wales** must reflect that a dead *King of Egypt* was buried with all his treasure so that the new king would rule with only *The Law* as his support: *YHVH and I are One*.

No Priest of YHVH would allow any different.

1360 We charge the **Prince of Wales** with reckless neglect of duty and **Treason** to Her Majesty The Queen and the men, women and children of England and Wales.

Living in an ought-to-be world where he is Queen of England and Her Majesty's Realms is a bit like the man who thought he was "governor of Hong Kong".

Subject: Vimana search, thelemic families

Dear Frater,

1375 In the name of That which thou art, greeting!

We attach our recent fax and original printable PDF to His Holiness Pope Francis, copied to England, France, US, CIA, etc.

1380 The Goddess Isis and I are One, That from which sprang willing, reasoning, feeling and being to come forth as Her son, Orisris to the Egyptians, Christ to the Christians, Buddha to the Buddhists and Rama / Krishna to the Indians.

1385 It is our wish that it is shared with the thelemic families with the note that our contemplation is also for their care, their sustenance and their in-depth discovery of the **substantive meaning of "thou" and "wilt"** in "Do what thou wilt shall be the whole of the Law".

1390 The **Goddess Isis is within thee**. Therein lies the '**vimana**' thou art searching for.

In 'The Resurrection of Sri Yuktswar' Paramhansa Yogananda describes:

1395 "**use astral planes, or masses of light, to travel from one planet to another, faster than electricity and radioactive energies.** " ...

<http://www.crystalclarity.com/yogananda/chap43.php>

1400 Many of you must already be familiar with the Self Realisation Fellowship. By the grace of Babaji, 'Our father which art in heaven, hallowed be thy name', the idea of 'thou', Isis ('Mataji') contemplates to 'give birth' to the next instant 'thou' call 'existence'.

1405

We suggest that the living men and women of the OTO assist us in this process of the identification of 'Dangerous Idiots'.

We send our love to the Goddess Isis for thee!

The *thelemic* families of Egyptian cults must contemplate the following parable recorded by Paramahansa Yogananda in *Autobiography of a Yogi*:

1420

Many quaint stories of Sadasiva, a lovable and fully-illumined master, are still current among the South Indian villagers. Immersed one day in samadhi on the bank of the Kaveri River, Sadasiva was seen to be carried away by a sudden flood. Weeks later he was found buried deep beneath a mound of earth. As the villagers' shovels struck his body, the saint rose and walked briskly away.

1425

Sadasiva never spoke a word or wore a cloth. One morning the nude yogi unceremoniously entered the tent of a Mohammedan chieftain. His ladies screamed in alarm; the warrior dealt a savage sword thrust at Sadasiva, whose arm was severed. The master departed unconcernedly. Overcome by remorse, the Mohammedan picked up the arm from the floor and followed Sadasiva. The yogi quietly inserted his arm into the bleeding stump. When the warrior humbly asked for some spiritual instruction, Sadasiva wrote with his finger on the sands:

"Do not do what you want, and then you may do what you like."

1430

The Mohammedan was uplifted to an exalted state of mind, and understood the saint's paradoxical advice to be a guide to soul freedom through mastery of the ego.

1435

The village children once expressed a desire in Sadasiva's presence to see the Madura religious festival, 150 miles away. The yogi indicated to the little ones that they should touch his body. Lo! instantly the whole group was transported to Madura. The children wandered happily among the thousands of pilgrims. In a few hours the yogi brought his small charges home by his simple mode of transportation. The astonished parents heard the vivid tales of the procession of images, and noted that several children were carrying bags of Madura sweets.

An incredulous youth derided the saint and the story. The following morning he approached Sadasiva.

1440

"Master," he said scornfully, "why don't you take me to the festival, even as you did yesterday for the other children?"

Sadasiva complied; the boy immediately found himself among the distant city throng. But alas! where was the saint when the youth wanted to leave? The weary boy reached his home by the ancient and prosaic method of foot locomotion.

1445 The secret of “will” power necessary for the use of a “*vimana*” to travel by teleportation is revealed there: “**Do not do what you want, and then you may do what you like.**”

The baby steps are described in a parable for children in *Frog and Toad* regarding developing will power **not** to eat the cookies.

1450 Does the new chief of MI6 know his job ? Has Prime Minister Netanyahu dismantled the blackmail nuclear bomb in its embassy in New York City? There is no authority for blackmail or fraud. There is no authority for the ‘top 57’ Israeli families to travel on any passport. There is no authority for bankers, priests or anyone to use stolen weapons. There is no authority for the Jewish people of Israel to be entrapped by **stupid** bankers.

Luke 22:35 And he said unto them, When I sent you without purse, and scrip, and shoes, lacked ye any thing? And they said, Nothing.

1455 22:36 Then said he unto them, But now, he that hath a purse, let him take it, and likewise his scrip: and he that hath no sword, let him sell his garment, and buy one.

1460 It is quaint to talk about the ‘death penalty’ when Mahakali is a bit annoyed. Thou hath no purse, even thy garment is stolen from thy neighbour. The ‘grey coats’ of Rome and London would be naked in their shame before the LORD, except that they and their fathers before them professed the name of ‘Jesus Christ’.

Lack of honour

Does the **Prince of Wales** think that his plan to get Putin to take on the role of Hitler is going to plan?

Is it the **Prince of Wales** that has blocked the investigation of Madeleine McCann?

1465 Is it the **Prince of Wales** who ‘spearheads’ the whitewash of the paedophile enquiry?

Is it the **Prince of Wales** who has by acts of Treason, operating Star Chamber courts, denied the English the **Declaration and Bill of Rights 1688** ?

1470 Is it the **Prince of Wales** who has failed⁸⁴ to organise a celebration for Her Majesty Queen Elizabeth II as the longest reigning English Queen? Is this a sign that His Royal Highness is ‘plotting the death’ of Her Majesty?

Does the **Prince of Wales** think that he is **King of Egypt** ? Is he Christian?

Does the **Prince of Wales** realise that, by leading His Royal Highness to the worship of Dick and Virginia, de-facto the French have reversed their defeat at Waterloo⁸⁵?

“Princess Diana and I are **One** ... I married thee, didst thou marry me?” says Mahakali.

1475 The **Prince of Wales**, His Royal Highness Prince Charles is charged with **Treason** in this **Court of Record**. Apart from an “appalling old waxwork”, what is the legacy he leaves to England? He thinks he ‘ought to be’ King of England.

How does **His Royal Highness Prince Charles** answer? **He has 7 days**. We suggest that he report in person to Your Holiness in Rome.

1480 His Royal Highness Prince Charles is stripped of all the rights, privileges and privy purse, and these are placed in the hands of an ecclesiastical commission to be appointed by Your Holiness in this **Court of Record**.

Church News

1485 We have read that “*Blood of St Januarius liquefies during Francis’s visit to Naples*”⁸⁶, to which it is reported that Your Holiness Francis responded: “The bishop just announced that the blood half liquefied. We can see the saint only half loves us. We must all spread the word, so that he loves us more!”

“*Heir to Japanese throne appeals for 'correct' Second World War history*”⁸⁷, which we second.

We suggest that the Good News is spread to the other half of the world by informing the **Reigning Emperor of Japan** that ‘Japan’ is no longer “under” terms of “unconditional” surrender.

1490 It is the wish of this **Court of Record** that the **Reigning Emperor of Japan** order Japanese forces to arrest all western Dangerous Idiots in Japan associated with the Fukushima disaster. There is no immunity and unlimited personal substantial liability. Necessary force is authorised. All Israeli contractors and employees are to be **expelled** until those living in the land known as Israel/Palestine return to the rule of God’s law: a **no State** solution.

1495 **There is no ‘United States’ any more, America is God’s own country.**

We read that, “The Holy Father has accepted the resignation of the rights and privileges of a Cardinal, expressed in canons 349, 353 and 356 of the Code of Canon Law, presented by His Eminence Cardinal Keith Michael Patrick O’Brien, Archbishop Emeritus of St Andrews and Edinburgh”⁸⁸.

1500 Perhaps now Mister Patrick O’Brien can begin to atone for facilitating the Anglo-French idea to pervert the planet by accompanying a regiment of Scottish Bagpipers to serve these papers on His Royal Highness Prince Charles – we suggest that it be live on BBC.

NO AUTHORITY FOR WAR

1505 **Anyone who threatens or facilitates war on Russia shall be shot!**

Revelation 13:10 “He that leadeth into captivity shall go into captivity: he that killeth with the sword must be killed with the sword. Here is the patience and the faith of the saints.” ...

Revelation 14:1 And I looked, and, lo, a Lamb stood on the mount Sion, and with him an hundred forty and four thousand, having his Father’s name written in their foreheads.

1510 *The Revelation of Saint John the Devine, King James Bible*

Prince Charles breezed through Louisville on Friday and called for urgent restructuring of local and global economies to save humanity from itself.

1515 During a speech before a full house of several hundred people at the Cathedral of the Assumption, the Prince of Wales said that “if we wish to maintain our civilization, we must look after the Earth (and) and keep it in harmony.”

“In failing the Earth,” he said, “we fail humanity.” The man who is next in line to the British throne cited climate change, soil depletion and exploitation of the oceans and other natural resources as a serious threat.”

1520 **We can't have capitalism without capital,** he said. “And the ultimate source of capital is **nature's capital**. Nature, the biggest bank of all, could go bust.”

As the shepherd of the "Fatted Golden Fleece", the responsibility is thine to ensure that every living member is served. His Holiness Pope Francis has seen the evidence, available 'in stone and bone', of Exodus 32:4, 32:26-28.

Begin fax to HMQ via 'Scotland' [16 Feb 2015]

Kindly bring these to the immediate attention of the Most Worshipful Grand Master Masons of Scotland for *urgent* onward delivery to Her Majesty Queen Elizabeth, Queen of Scots.

The karma of Masonic fraternities (and their Catholic cousins) who were legal idiots before YHVH is the subject matter: **"the main current" - Dharma - YHVH is One - has been off.** The result - 5 centuries of war and situation at the gates of self-earned annihilation, even as it was in Mu. The root of the trouble now is the same as it was then - Sodomy, worship of graves and idol worship of ancient artefacts and rituals.

Holy Father Francis,
Ave Maria!

105 Further to our contemplation for His Excellency Shimon Peres of 9 Feb 2015 below, we must bring to Your Holiness the following for immediate action:

110 **Necessary force is authorized to prevent the CERN Large Hadron Collider, which we believe is weaponised, from restarting or operating.** Reports are available which show that particle accelerators have been tested as weapons. Suspected uses include but are not limited to shooting flying objects, causing earth quakes, use as a neutron beam kill gun, to cause radiation sickness in target populations, etc.

<http://home.web.cern.ch/about/updates/2015/02/cerns-two-year-shutdown-drawing-close>

We suggest that an escalating series of steps in coordination with the Swiss Federal Council to shut down and analyse the system by expert men and women loyal to this Court of Record, whose yes is yes and no is no.

115 We suggest a parallel investigation of the funders of the said device, of the mechanics of how the 'Judas Goat' technique is used by Set worshippers to herd legal infants of the 'Religion of Humanity' and the 'Cult of Reason' to the Feast of Brutus.

Omnium primum avidum novae libertatis populum, ne postmodum flecti precibus aut donis regiis posset, iure iurando adegit neminem Romae passuros regnare.

120 A related question about the Feast of Brutus is, is His Excellency Benjamin Netanyahu being used as a Judas Goat?

Yours faithfully,

125 ### Begin fax to 'Israel' [9 Feb 2015]

His Excellency Shimon Peres
Patriarch of 'Israel'
Your Excellency,

130 The greatest /public/ danger to the Jewish people is now the Most Rev. The Lord Archbishop of Canterbury Justin Welby:

<http://www.telegraph.co.uk/news/religion/11399986/Vicar-who-blamed-Israel-for-911-attacks-is-banned-from-writing-about-the-Middle-East.html>

135 As Your Excellency's speech at WEF notes, Truth is the highest thing a man may keep. We suggest that the Israeli people demand a full disclosure of all WWII material, for example, British intercepts of Nazi communications, especially that which regards the Holocaust, together with a full disclosure of the Iraq war over the so-called Covenant of God, the bonds, etc. We also suggest the same for the war in the Pacific over the lost civilization whose remains are scattered near the Pacific islands near Tonga to that below the ice in Antarctica.

140 We also suggest an independent enquiry into the new Roman amphitheatre in Israel/Palestine

145 <http://www.bbc.co.uk/news/magazine-31154138> as a means to a broader enquiry into Roman/British/French/Spanish/Italian **plans to harvest the Jewish people into a single centre (the area of Israel/Palestine) for a 'final solution' via Armageddon, the end of Christianity and the inauguration of blood sports** in the said Roman amphitheatre.

150 The Torah forbids lending but this is only implicit and can only be understood by a Rabbi who knows YHVH and I are One. Jesus Christ forbid lending of coin placed in trust, see Luke 19 and 20 for the trust law settled by YHVH /in earth/, The Roman cults (Italy, France, etc., now includes England) hated the Jews because they wanted the lending rights for themselves and a return to the Rule of /their/ secret banking Pharaoh.

The new Bird-God of the City of London and the bankers is the Ostrich. They like to 'bury their "heads" ' ... in the sand.

155 They believe they can continue blackmail, torture, death and lies once the hoo-hah of "Jesus" has died down.

YHVH is the "where", the /ground/ of our witness of waking (or dream or other) consciousness. Thou never left Eden/YHVH is the import of Genesis. Our first letter to President Putin discusses some of the consequences.

160 We suggest that Israeli software engineers adopt suggestions contained in our letter to Google (www.courtofrecord.org/Google) to build a world of substantial short-term, deliverable contracts and robust markets where no lending is ever necessary. This is the best security that the Jewish people can have, wherever they may live. The false, extreme Patriarchy as manifest in Israel (no pictures of women on billboards, for example) must end.

165 We suggest that such software can create anonymous means of publishing information which is the safeguard to allow the Truth to be made known. The Torah teaches us that, standing on the Ground of Being, YHVH, is the criterion to discern Truth. YHVH, THAT infinite Truth-Consciousness-Power-Peace on which galaxies are scattered like motes in a sunbeam is the /Locus Standi/ on which to build a true civilisation of Holy Peace. It is indeed foolish to believe that anything can be hidden from THAT.

We send our love to YHVH for thee!

170 Yours faithfully,
Joseph Ray Sundarsson
