Open Letter
Amicus curiæ

4 Sept 2014

Dear Rabbi,

We invoke the name YHVH, Ground of Being, with all our love and all our strength and send greeting!

10 By the Grace of YHVH, the dissolution of the corporate Roman State in many countries proceeds apace. We invite *thee* and the French to come and visit us in exile – an invitation has also been sent to His Excellency François Gérard Georges Nicolas Hollande, President of France. The gentleman in France who has been our messenger can coordinate and assist with communication.

15 We send *thee* a courtesy copy of our contemplation for Her Majesty Queen Elizabeth II which, together with our invitation, we have forwarded to His Excellency Shimon Peres, who has subsequently visited His Holiness Pope Francis¹. Relevant sermons of His Holiness Pope Francis are at these links².

The cumulative text of our cover pages sent to His Excellency Shimon Peres via the State of Israel and also forwarded to Chief Rabbi Ephraim Mirvis of London is below:

Dear Sir or Madam,

Courtesy copy follows for Chief Rabbi Ephraim Mirvis of London.

Kindly forward a copy of this and our recent published letters, available at www.courtofrecord.org.uk, to Former Chief Rabbi Baron Sir Dr. Jonathan Henry Lord Sacks.

25 We invite the Chief Rabbi and the Jewish community in London to come visit us. The satirical farce that is the protesters carrying "Zero tolerance towards Anti-Semitism" must be seen for what it is.

We pray that the LORD God, YHVH, Ground of Being, grant His grace of 'in-Sight' to all His children, the children of Abraham, all men, women and children.

Yours faithfully,

Joseph Ray Sundarsson

---- begin fax to State of Israel [2 Sept 2014] -----

Dear Sir or Madam,

Courtesy copy follows for His Excellency Shimon Peres and Prime Minister Benjamin Netanyahu.

We invite the 'Israelis' to beat the English, Scottish, Roman Catholics (and others!) to our door.

35

We pray that the 'Fogh of war' is replaced by good will.

We send our love to YHVH, Ground of Being, for His Excellency Shimon Peres and all men, women and children.

40 ---- **begin cover text sent to the Holy See [2 Sept 2014]** ----

Holy Father Francis,

Ave Maria!

Below is forwarded the cover sheet sent to 10 Downing Street with the letter that follows. We have also directly faxed the Grand Lodge of Scotland and invited the Scottish to visit us.

45 Is the fact that Your Holiness is now giving morning sermons a sign that 'existential greyness' is at an end?

Is Your Holiness able to visit?

Is it possible for someone to visit Your Holiness? Is there a number we can call to directly reach Your Holiness?

50 Is there someone in Costa Rica whom Your Holiness trusts? If so, what is their local contact information?

It is our wish that Your Holiness or someone call either Jackie or Mike whose numbers are below with the answers.

55 We pray that the LORD speedily provide a path forward for us to be of service to Him. We pray for our Holy Fathers and may they pray for us.

Yours faithfully,

Joseph Ray Sundarsson

-----**begin cover text sent to 10 Downing St [2 Sept 2014]**-----

Dear Sir,

60 Kindly bring this fax to the immediate attention of:

Her Majesty Queen Elizabeth II

and

First Lord of the Treasury, Rt. Hon. David Cameron, MP, Prime Minister

Additional notes:

65 We are in exile in Costa Rica where just down the street, The Mafia sent to foment Spanish-civil-war, drug gangs and CIA 'investors', jostle for space with the Christians who are "waiting for Christ". We have spoken to a Mafia 'hefa' [female-boss] from NYC sent here to manage their properties because the original boss is in prison in NYC. We spoke to her regarding threats and intimidation that are being made to locals who foolishly were pursuing claims for non-payment of wages.

70 We suggest that the CIA is informed and instructions sent to on-the-ground people to identify those in authority with a Sun-flower (and a published local contact number) who are instructed to provide assistance should it be necessary. The Sun-flower can identify a plausible business and a yellow baseball cap with a Sun-flower logo can identify those in authority who speak English who are safe to talk to.

75 We are not asking to be rescued or for protection, we are asking for the foolishness scripted by lunatics and idiots from the various 'City of X' capitals to be stopped - here and across the world. We are ready to assist ending the foolishness by 'picking up the cross', that is, making ourselves available for The LORD God, YHVH, Ground of Being, Amun-Ra, 'Jesus Christ', Our Father of Fathomless Mercy for His creation to manifest His will.

80 The LORD God, YHVH has 'all the time in the universe' to collect on the karmic liability - rendered up the 'Satanic' contract tree. We send our love to YHVH that he may "forgive us our debts, as we also have forgiven our debtors".

Our work to date has been self-supported until it has become no longer possible to earn money,

85 since the contemplative "defence of the realm", is a full time occupation while politicians vacation and lunatics and idiots plot world war. It is thanks to the charity of one London trader in real goods that we are able to continue doing what we do. We state therefore quite frankly that charitable men and women of good will must come forward to assist what must unfold by the grace of YHVH, Ground of Being.

90 We suggest that those who advice Her Majesty The Queen contemplate UCC mirror reflection and the 'meaning' of their current 'cash position' thereby. Such contemplation inspires loving charity so that the LORD "forgive us our debts, as we also have forgiven our debtors".

95 Legal idiots before YHVH, Ground of Being, in London, who worship 'money' are reminded of The Law of God regarding such. Worship of God begins with "feeding the sheep" - it has been so since Atlantis. A contractual system that solves the problem is easily engineered. We can explain how to qualified men and women.

We use this occasion to invite the English and Scottish Freemasons and men and women of goodwill in the "British Isles" and Her Majesty's realms to come visit us. Kindly forward courtesy copies of this invitation to the Grand Lodge of Scotland and England and any other 'Masonic' societies.

100 We believe that Her Majesty The Queen would bless a rapidly put together mission to Costa Rica to come visit with us, so that the LORD, YHVH, Ground of Being, can then unfold what is to come.

The LORD God, YHVH, Brahman, Ground of Being, Amun-Ra, Om-Rudra, is un-anticipatory ever-newness, spontaneous divine 'will', Life itself.

We contemplate YHVH, Ground of Being, the 'LORD in the Sun', with love for Her Majesty The Queen and for all men, women and children.

Yours faithfully,

Joseph Ray Sundarsson
