Open Letter  
Amicus curiæ

30 January 2014

15 **Dear Archbishop:**

**May it please the Immaculate Virgin Mary with Her Child Jesus!**

In the name of Madonna and Child, to whom these come as present, greeting!

20 Your Grace has the experience and finesse of being the *Secretary-General of the Governatorate of Vatican City State* during the post 2008 financial crisis era that gives us confidence that Your Grace may be able to prevail upon U.S. principals to bring about peace by the grace of Jesus Christ, Our LORD, Our Father, the blessed Almighty **One** who has Mercy with His world.

25 In these **perilous times** (2 Timothy 3:1-9), the LORD is **testing** all of us. We pray to the Immaculate Virgin Mary with Her Child Jesus to guide Your Grace in the contest between egos, the playground of the devil in symbolic language, that is the mark of the political Roman circus. The weapons, seductive traps and the wealth of Hades are often felt there to be 'more powerful' than the LORD. We pray that Our LORD endow Your Grace with the seven gifts:

30 *Pope Francis then joked with faithful: "I don't want to ask you whether you remember the seven gifts ... I'll list them for you: wisdom, understanding, **counsel**, fortitude, knowledge, piety and **fear of God**." The Pope then announced that after his catechesis on the sacraments, he will dedicate those that follow to the seven gifts.*

35 Our Open Letter to President Obama to end the State of Emergency in the United States and to return "life, liberty and the pursuit of happiness" to all people, follows. Kindly note the criticism of the United States Conference of Catholic Bishops in lines 124, 492 - 498 and footnote 48, intended to purify and prepare the Cardinals and Your Grace in discussions with U.S. officials.

We suggest that Your Grace **initiate a discussion at the 'highest levels' regarding the consequences of Uniform Commercial Code (UCC) 'mirror reflection'**.

40 We suggest that Your Grace *invite* de-facto barons of force and substance to this *Court of Record* – in Rome.

We draw Your Grace’s attention to our other published Open Letters, written to assist Pope Francis and the Council of Cardinals with the crisis caused by the ignorance of man’s nature, economics and mismanagement of the United States:

[www.courtofrecord.org/letters.html](http://www.courtofrecord.org/letters.html)

45 Copies of our cover letters to other men and women of authority follow. We suggest that Your Grace contact DNI, CIA, ESF, IMF, UST, etc., current and former Presidents regarding the Al-CIA-duh operations in all current theatres of conflict: the Pacific, Syria, Sudan and **Ukraine**.

50 **The failure to govern**, the ignorance of how the U.S. works, the ignorance of economics, the worship of the fatted golden calf, the worship of the Bankers of Ba‘al<sup>2</sup>, **we believe, may be traced to the Apostolic Nuncio and Cardinals of the U.S. Catholic Church and their contemporaries in Europe. This may have, we believe, contributed to the resignation of Pope Benedict XVI and the ongoing world crisis.**

This contemplative *Court of Record* of the **Almighty One** is investigating the Vatican bureaucracy, there is no immunity.

55 *3:7 And to the angel of the church in Philadelphia write; These things saith he that is holy, he that is true, he that hath the key of David, he that openeth, and no man shutteth; and shutteth, and no man openeth;*

*3:8 I know thy works: behold, I have set before thee an open door, and no man can shut it: for thou hast a little strength, and hast kept my word, and hast not denied my name.*

60 ***Revelation 3:9 Behold, I will make them of the synagogue of Satan, which say they are Jews (Christian), and are not, but do lie; behold, I will make them to come and worship before thy feet, and to know that I have loved thee.***

*3:10 Because thou hast kept the word of my patience, I also will keep thee from the hour of temptation, which shall come upon all the world, to try them that dwell upon the earth.*

65 *3:11 Behold, I come quickly: hold that fast which thou hast, that no man take thy crown.*

*3:12 Him that overcometh will I make a pillar in the temple of my God, and he shall go no more out: and I will write upon him the name of my God, and the name of the city of my God, which is new Jerusalem, which cometh down out of heaven from my God: and I will write upon him my new name.*

70 *3:13 He that hath an ear, let him hear what the Spirit saith unto the churches.*

*The Revelation of Saint John the Devine, 3:7-13, King James Bible*

A mind map regarding the United States is at: [www.courtofrecord.org/USA](http://www.courtofrecord.org/USA) which is included in our *Letter Rogatory to the British Cabinet*, available at [www.courtofrecord.org/British](http://www.courtofrecord.org/British) that marked the start of Pope Francis’ pontificate<sup>3</sup>.

75 We are sure that ‘young’ Cardinals, should they begin to ask the right questions to the older generation above 80, **including but not limited to the oldest living President of the United States, George H. W. Bush**, using our Open Letters, will learn much that can assist them to overcome their handicap regarding history and how history relates to the present.

80 We suggest that Your Grace take the initiative regarding ‘UCC Mirror Reflection’ to contact all important U.S. leaders, including but not limited to, current and former Presidents,

3 [www.courtofrecord.org/contemplation.html](http://www.courtofrecord.org/contemplation.html)

Supreme Court Justices, Senators, Governors, Republicans, Democrats, the Federal Reserve shareholders and functionaries and those with accounts at the Institute for Religious Works.

We suggest that USCCB Cardinals and Bishops reach out to all financial, industrial and agricultural contacts regarding 'UCC Mirror Reflection'. We suggest that **pious platitudes** such as 'minimum wage' and 'jobs for helpless Americans' be replaced with erudite economic reasoning and creation of wealth. We suggest that practical help to become self sufficient at a local level in food be adopted across America. By the grace of our LORD, wealth creation is automated, seek to go beyond the illusion of the 'labour theory of value'. Sunlight, for example, shines on the roof, the electricity drives an electric pump, this waters the vegetables that grow in the greenhouse, lo, there is food to eat. Why this fuss about the minimum wage?

A return to contracts denominated in substance will increase, not decrease the amount of spendable substantial wealth available to the 'rich' and the 'poor', the expenditure of which will increase the standard of living for all. All we have to lose is the **illusion of wealth**<sup>4</sup>, in 'bank accounts' and our ignorance of the LORD, YHVH, "Our Father which art in heaven, Hallowed be thy name".

*Gospel of Saint John 10:30 I and My Father are One*

We suggest that the Contemporary English Version, 'authorised' by the USCCB, be replaced with the King James Version. It is time for all modern Americans and Englishmen to learn **English** and the pronouns 'thee', 'thou', 'ye', etc., which refer to the presence of YHVH, Our Father, in the man or woman being thus addressed.

We all must develop an appreciation for the pure **intellecion** that **is** the LORD as well as develop heart-love, the **glowing awareness** of "Our Father which art in heaven, Hallowed be thy name", in our heart.

Kindly contact Pope Francis with any questions.

*Matthew 6:9-13<sup>5</sup> After this manner therefore pray ye:*

*Our Father which art in heaven, Hallowed be thy name.*

*Thy kingdom come, Thy will be done in earth, as it is in heaven.*

*Give us this day our daily bread.*

***And forgive us our debts, as we forgive our debtors.***

And lead us not into temptation, but deliver us from evil: For thine is the kingdom, and the power, and the glory, for ever. Amen.

Yours faithfully,

*Joseph Ray Sundarsson*
