Open Letter
Amicus curiæ

10 21 January 2014

Dear Mr. Lew:

May it please the Immaculate Virgin Mary with Her Child Jesus!

From the *Global Isles Court of Record*, on behalf of our Plaintiffs, in pursuit of justice and right for **all** people, which therefore includes all men and women living in America, we send greeting!

15 Enclosed is our Open Letter to President Obama and a copy of our letter to the former Secretary of the Treasury Mr. Timothy Geithner. The purpose of these letters is to assist Your Excellency, who has episcopal responsibility for the United States Treasury, the Exchange Stabilisation Fund, and so forth to return "life, liberty and the pursuit of happiness" to the American people and thereby to **all** the men, women and children of the world.

20 We suggest that Your Excellency and those at high positions in the corporate United States, including but not limited to all banks related to the Federal Reserve, all retail banks, National Associations and credit unions, all public and private limited corporations, contemplate the consequences of Uniform Commercial Code (UCC) 'mirror reflection'. This list must include **all** international entities, including but not limited to the International Monetary Fund, United Nations,
25 World Bank, brokerage facilities, stock markets, bank wire and money transfer services and so forth.

We suggest that Your Excellency coordinate with Rt. Hon. Theresa Mary May, Housekeeper for Her Majesty's Commonwealth of Nations to stabilise international trade by settling Bills of Exchange. This mechanism can facilitate 'interest' payments to U.S. Treasury bond holders until that system is dismantled by the market in God's **good** substance.

30 We suggest that Your Excellency take all action necessary with banks and or bank accounts and bank transfers/wires to disable the funding of terror, war & weapons; to monitor the same and provide a report to Pope Francis on those that can and cannot be trusted to be trustees of God's creation.

In short, it is a wish of this *Court of Record* that the **United States corporation be shut down** and replaced with living men and women, masters of their destiny and that Your Excellency assist President
35 Obama to achieve this objective.

Yours faithfully,

Joseph Ray Sundarsson
