Open Letter  
*Amicus curiæ*

26 January 2014

10

**Dear Sir:**

***May it please the Immaculate Virgin Mary with Her Child Jesus!***

Your Excellency has shown admirable restraint in dealing with the protests and we suggest that Your Excellency continue with this policy.

15 This *Court of Record* is investigating what appear to be well funded and organized protesters who have a lot of time on their hands and access to the 'how-to' of pyrotechnics.

We suggest that Your Excellency investigate banks and or bank accounts that may have been used for the funding and organisation of these protests and take such action as to seize and disable accounts and/or banks inclined to violence.

20 Banking as we know it is destined for the scrap heap, the European Union being materially bankrupt to Ukraine, Russia and countries with natural resources. Our letter regarding the Cyprus crisis, available at [www.courtofrecord.org/crisis.html](http://www.courtofrecord.org/crisis.html) explains.

25 Peaceful protesters, on the other hand, are encouraged to adopt the example of Mahatma Gandhi and Our Lord Jesus Christ. We suggest that those in 'opposition' and the protesters be provided copies of the attached letter to The Honourable Barack Obama, President of the United States. A border-less, passport free future with the peace of the 'promised land' awaits **all** of mankind.

Originals are at the White House and with Pope Francis, sealed copies with the United States Treasury, Britain, Russia, Norway and Saudi Arabia. So far, copies by fax have been sent to France, the United Nations and the World Economic Forum.

30 We draw Your Excellency's attention to our other published Open Letters, especially those to President Putin, that are available at: [www.courtofrecord.org/letters.html](http://www.courtofrecord.org/letters.html)

Kindly contact Pope Francis with any questions.

Yours faithfully,

*Joseph Ray Sundarsson*
